REGISTRATION BRANCH

Dear Sir:- Re N.W.¼ of 2-6-29 W. 4th T.J.Moore.

I would be greatly obliged if you would take up the circumstances of the cancellation of Mr. T.J.Moore's homestead entry for the above quarter section.

It appears to me that Mr. Moore has been a little harshly treated by the cancellation of his entry. I have known Mr. Moore for the past fifteen years, and am absolutely satisfied he has performed all residence and made all improvements on the land necessary for him to become entitled to recommendation for patent in so far as the regulations were interperted at the time he took the homestead.

I personally know that Mr. Moore performed residence duty for three or four years running at least, commencing with 1902, and that for several months in each year he slept every night on his homestead, putting himself to great personal inconvenience in riding in and out to his business in Town. He erected the necessary house and stable, and put up the necessary fence upon the land, and took up the entry in a bona fide manner and with the full intention of performing what he understood were the necessary duties of a homesteader. I believe he now has some forty-five acres broken and ready for crop on the land.

I might say that I know of a great number of cases where homesteads have been granted to men, who did not perform their duties anything nearly as well as Mr. Moore has performed his, and I feel satisfied that this is a case which should receive your closest attention, and your favorable consideration.

Particularly when I inform you that it was owing to the ill health of Mr. Moore's wife that he was unable to go into permanent residence on the land,as he had hoped to do.

I would ask your Department in case it is unable to grant Mr. Moore his recommendation,that it will not allow the cancellation proceedings to be carried out,but will give Mr. Moore,either the opportunity of making reentry for the land and performing his residence on the same or will give him the opportunity to purchase it at whatever reasonablefigure the department might put upon the land.

I might say I believe that in case of ill health or of sickness in family where it has been impossible for the homesteader to complete residential duties that the Department has given permission to purchase it at $3.00 per acre.

Yours truly,

Jno. Herron

Dear Sir:- Re my homestead application
Lethbridge Land Office just advised me of cancellation
which surprised me greatly as I had left waiting
for instructions from the Dept after making my statement.
It was well understood that considering
similar conditions and cases that my case would
have favorable hearing and at least that nothing
would be done to upset the my claim without first
advising me in due time and giving me a chance to
carry out any further requirements of the Dept.
I have about $600 worth of improvements to
on the place including 45 acres of land all plowed
and disced and ready for seeding fall wheat in July
[illegible]
[illegible] cancellation
I am a married man with old folks in the district
and have done my part in boosting and advancing
it in every way and you can well imagine
my chagrin when advised of cancellation.
I am at once taking the matter up with you,
placing before you full details for your
immediate consideration and I am sure
the justice of my case will warrant
your favorable recommendation
I am most anxious to obtain my
homestead. Advise me what you want done,
and I shall be pleased to comply.
Yours very truly,
Thos. J. Moore

Memo. dated 23rd June, 1910.

Mr. J. Herron, M.P., in a letter dated the 6th instant, sets out that, in his opinion, Mr. Moore has been very harshly treated, and the latter in a communication dated the 4th idem also complains of the treatment accorded him.

Mr. Moore's statement that he received no warning that he was not performing his duties in a satisfactory manner, would appear to be well founded, as the receipt of his defence to the cancellation proceedings above referred to, was merely acknowledged, coupled with a statement that a homestead inspector would be instructed to furnish a report.

If you will turn to H.O. letter dated the 14th September, 1907, I think that, from the terms thereof, Mr. Moore might have reasonably inferred that he was performing his duties in a manner satisfactory to the Department, and as to the date that he was notified of the cancellation of his entry he received no advice to the contrary.

In view of the statement in Mr. Herron's letter, that he personally knows Mr. Moore performed residence duties for three or four years running at least, coupling with that, the fact that for several months in each year he slept every night on his homestead, do you not think it would be advisable to withhold this land from entry until a homestead inspector had had an opportunity of making further enquiry in this regard?

Respectfully submitted,

F. J. Pearson.

T. J. Moore obtained entry for the S-W. ¼ of Sec. 4---6---29, W. 4th M., on the 21st December, 1911. Cancellation proceedings were instituted on the 31st August, 1910.

The Homesteader filed a defence, setting out that he had lived upon this land from the 1st April until the 15th October, during the years 1908-6-7 & 8 he stayed on the land for occasional days.

The Homesteader also claimed to have erected the necessary buildings, to have fenced the N.E.¼ Quarter section and to have plowed 40 acres and 7 crop for four years.

Complaints, however, have been lodged with the Department by settlers in the vicinity, that Mr. Moore has not performed his residence duties in a bona fide manner, some of the complainants going so far as to the length of saying that he resides more than one mile by the Homesteader on his land, with the exception of sleeping thereon a few nights per year, and that he has not lived or slept thereon since the year 1904.

Cancellation was carried out by default under your instructions on the 16th ultimo. (See your application on attachment 211143.)

Sir,-

Re CANCELLATION of T. J. MOORE'S ENTRY
--for the--
E-½ of Sec.2---6---29, W. 4th Mer.

The records here show that Mr. Moore obtained entry for the quarter section mentioned on the 21st December, 1901, and that cancellation proceedings were instituted on the 31st August, 1909.

The homesteader filed a defence, setting out that he lived upon this land from the 1st April until the 15th October, during the years 1902-3 & 4, and that during the years 1905-6-7 & 8 he stayed thereon for occasional days.

Mr. Moore also claimed to have erected the necessary buildings, to have fenced the whole quarter section and to have placed 25 acres under crop for four years.

Complaints, however, have been lodged with the Department by settlers in the vicinity, that this homesteader did not perform his residence duties in a bona fide manner, some of the complainants going to the length of saying that no residence has been put in by Mr. Moore on this land, with the exception of sleeping thereon a few nights some years ago, and that he has not lived or slept on this quarter section since the year 1904.

Cancellation

J. K. Martin, Esq.,
Inspector of Dominion Lands Agencies,
Lethbridge, Alta.
Alberta.

J. W. M.

Cancellation was carried out by default on the 18th May last.

Mr. Herron, M. P., in a letter dated the 6th ultimo, set out that, in his opinion, Mr. Moore had been very harshly treated, and the latter in a communication of the 4th idem also complained of the treatment accorded him.

Mr. Moore's statement, that he received no warning that he was not performing his duties in a satisfactory manner, would appear to be well founded, as the receipt of his defence to the cancellation proceedings, above referred to, was merely acknowledged, coupled with a statement that a Homestead inspector would be instructed to furnish a report.

In view of the statement in Mr. Herron's letter, that he personally knows that Mr. Moore performed residence duties for three or four years running at least, commencing in 1902, and that for several months in each year the latter slept on his homestead, it is considered advisable to ask you to place this matter in the hands of Mr. Bannerman for full investigation and report.

Mr. Bannerman should be able to get important evidence from the firm with whom Mr. Moore was employed during the years in which he claims to have performed residence on the land in question.

Encls. I enclose copies of certain documents bearing on the manner in which Mr. Moore performed his settlement duties.

Kindly ask Mr. Bannerman to attend to this matter without delay.

I hereby declare that during the years of 1902 1903 and 1904, T.J. Mr. Moore, he gave a straightforward story regarding his duties, and I am inclined to believe that his statements in regard to his residence duties, are true.

I would consider the residence given by Mr. Lebel, his employer, very authentic, as he would no doubt be conversant with Mr. Moore's movements during these years.

This inspection relates to Land Office file 030117.

homesteader, Mr. Moore, and he made the same statements to me as those contained in the defence; that he had slept there, and eaten supper and breakfast, and had returned to town in the morning, during these years, and on account of sickness in his family, it was impossible for his wife to live upon the land. He also informed me that he was perfectly willing to do whatever the Department wished him to do in the matter, but in his own estimation, he considered he was entitled to patent. He also informed me that one Wilkie, and also Mr. John Morton M.P., would be the most convenient parties as to his movements during these years, upon his homestead, and he thought would be willing to act as witnesses for him in his application for patent. He also asks that the Department take into consideration his request that he be allowed to apply for patent on these grounds; and that if this request is unfavourable to the Department, he be allowed to proceed with his duties, as prescribed by the regulations, and that they do not cancel his entry.

The improvements upon the land consist of the quarter section being fenced; 30 acres of old ground turned over for the coming spring crop; a frame house 12 ft. x 16ft. value $75; a log stable 12 ft. x 14 ft. with shingle roof, in poor condition, value $40.

This information may not be definite enough for Head Office; but as stated above, the scarce settlement of the country at the time residence was claimed, makes it impossible to get anything more definite in this connection; and in talking with

Sir,-

Referring to the Head Office correspondence pertaining to the H. . 2 - 6 - 29 - 1 - 4th., which was forwarded to me by yourself with the request that an inspection be made in the matter, I beg to say that I have now finished the inspection desired.

I visited the vicinity of the land, and inquired from different parties as to the residence performed by Mr. T. J. Moore upon his homestead, the land above mentioned. In the majority of the cases, people were unable to give me any definite information regarding same, and only four parties were able to give me statements under oath. These declarations you will find attached hereto, signed respectively by Messrs. Beliveau, Brown, and Cyr, and also one signed by Timothy Label, in whose employ Mr. Moore has been since 1902 to the present date. The declarations signed by these parties would go to show that they have knowledge of Mr. Moore having slept upon this land during the years 1902, 1903, and 1904. I might state for your information, that it is an impossibility for the majority of people in that vicinity to say anything about the residence, for the reason that during the years 1902, 1903, and 1904, very few people were living in that particular part of the country. I interviewed the homesteader.

Memorandum:-

Re H-S. 1 of 1--6--13, T. 4th M., Cancelled homestead T. C. Moore, now held under homestead entry by Edvard Andreuen Frisvold.

The facts of this case are pretty full set out in my memorandum dated the 13rd June, 1910.

Mr. Bunnerman was instructed to investigate Mr. Moore's complaint that his entry was unjustly cancelled, and the former's report is attached hereunder, supported by the statutory declarations of Joseph Boliveau, Ernest Brown, D. E. Cyr and T. Letel.

The gist of the information furnished is that during 1902, 1903 and 1904 Mr. Moore slept upon his homestead, but no dates are given nor periods of residence.

Mr. Moore stated to Mr. Bunnerman that he had slept on his homestead and taken supper and breakfast there and had returned to town in the morning during the years 1902, 1903 and 1904, and that on account of sickness in the family it was impossible for his wife to live upon the land.

The foregoing seems to entirely condemn Mr. Moore's claim that he had complied with the regula-

F.FitzRoy Dixon, Esq.,

lations in regard to residence, as such residence would only count in the event of his wife and family living on the homestead.

Under these circumstances, I would suggest that the cancellation of Mr.Moore's entry be confirmed, and that Mr. Frisvold be allowed to retain possession of this quarter section.

Sir,

I beg to acknowledge the receipt of your letter of the 9th inst., reference 111, enclosing Mr. [illegible]'s report relating to Mr. L.S. [illegible] and the [illegible] of [illegible]. It [illegible], and in reply to say that in view of the information therein set out, it has been decided to confirm the cancellation of Mr. Beard's entry for the South-section [illegible] and allow Mr. Sheard to retain possession of same.

I may point out that Mr. [illegible] stated to Mr. [illegible] that he had nearly eleven acres of the homestead all fully broken and backset; there are [illegible] stipulated two in the [illegible] three years [illegible], 1903 and 1904, and that on account of wetness it was impossible for him to [illegible] the land.

The foregoing entirely exonerates Mr. Beard's claim that he had complied with the regulations in regard to residence, as residence performed in the manner indicated by Mr. Beard only counts to his advantage in the event of his [illegible] and really living on the homestead.

Sir,

Referring to your letter of the 6th June last with respect to Mr. T.J. Moore and the N.W.¼ of 2--6--29--W. 4th Meridian, which I regret to say has inadvertantly been overlooked, I am now to inform you that Mr. Bannerman, Assistant Inspector of Dominion Land Agencies, has made a full enquiry into Mr. Moore's complaint that his entry for the quarter-section mentioned was unjustly cancelled, and that after giving Mr. Bannerman's report careful consideration it has been decided to confirm the cancellation of Mr. Moore's entry and allow Mr. Frisvold to retain possession of this land.

In this connection I may point out that Mr. Moore stated to Mr. Bannerman that he merely slept on his homestead and took supper and breakfast there, returning to town in the mornings, during the years 1902, 1903 and 1904, but that on account of sickness in the family it was impossible for his wife to live upon the land.

The foregoing entirely condemns Mr. Moore's claim that he had complied with the regulations in regard to residence during the years mentioned, as such residence would only count to his advantage in the event of his wife and family living on the homestead and the same being his own sole place of abode.

During 1905, 1906 and 1907, [illegible] stated that he slept on the lawn [illegible] for nights during the years 1908, 1909 and 1910, he says this is not sufficient to count in his favor other than [illegible] to retain the postal station. Hon. Frank Oliver,

Minister of the Interior,

Ottawa, Ont.

Dear Sir;-

Re N.W.¼ of 2-6-29 W. 4th M.

My Old Homestead.

Mr. J.W.Martin, Inspector of Agencies, held his investigation here yesterday, and I would respectfully call your attention to the strong evidence of such men as Ernest Brown, Fred Pelletier, J.D.Boyes, and T. Lebel, some of whom you personally know, and who are recognized as amongst our most reputable and intelligent citizens and settlers.

There evidence is strongly in favor of my claim in every respect, and I am sure that with your recognized justice and fair play for the young man, who trys to get along in the West, it will appeal to you as being an important factor in giving me favorable consideration.

The years 1902-03-04 were those of practically the ranching days in the District. Farming was in its infancy, and the form of residence put in by me in those years so faithfully all the time, was one that was considered ample so long as the homesteader did his improvements regularly.

There is absolutely no question at any time about my improvements and increased stock fulfilling that part of the regulations.

Just put yourself in the position of any ambitious young Canadian in those years riding out to his homestead so regularly night after night for six months, during those years; just as numerous others did; with the idea of having some day later a nice little farm.

Although honestly believing at the end of 1904 that I had faithfully put in my time, I did not realize the necessity of making any immediate application for patent. I was not out to speculate on the homestead and sell at once. That never entered my mind, and consequently believing everything all right I just let it run along.

But Mr. Oliver, you can imagine my anxiety to retain my homestead, and I know that ninety-nine per cent of the people in the whole District are in entire sympathy with me in the matter. There is absolutely no doubt about that at all.

If you think it will place my position in a more satisfactory light, I would go out with my family on it for another six months. At any rate, all I ask you is to give me the opportunity of retaining it in some way or other.

F.O

Last Spring I spent about #$175.00 to get my land ready for fall wheat, and when those complications arose I simply had to let it stand.

But I trust to have a favorable reply in the present instance so that I can go ahead and get my seeding in shape.

Now, what has that other fellow at stake. He is a claim jumper, and has simply nothing to lose, for what he never had he could not call lost. He is an unmarried man, and the people nearest my homestead are the ones most anxious that he should not be there at all.m

This you will realize is a very exceptional case, and you will surely see that justice of giving the benefit of any doubt to the young fellow who came West long ago, before it was recognized, and who stayed with it through the less fortunate days; than to consider the claim jumper, who drifted into the country from some foreign land during the last three years.

Mr. Oliver, I shall always be grateful if you will go thoroughly into the case, and I trust you will see fit to give me a favorable advice in the matter at an early date.

ADDRESS REPLY TO THE SECRETARY
DEPARTMENT OF THE INTERIOR
OTTAWA

Department of the Interior.
Canada.

Ottawa 5th April, 1911.

MEMORANDUM:-

N.W. ¼ of 2--6--20--W. 4th M.
Cancelled entry of T. J. Moore
Homestead E.E. Friswold 7th
June, 1910.

Question: Is Friswold to be cancelled and Moore reinstated or allowed to make another entry?

Moore made entry 1901. Proceedings taken against his entry 1907.

Before cancellation, residence performed by sleeping on homestead nearly every night for six and one half months in years 1903, 1903, 1904.

Homesteader informed by Head Office "just possible you may have completed the required settlement duties" should apply for Patent giving the exact dates of residence performed, "together with the time you lived on your homestead in a habitable house making it your home, sleeping thereon and having no other place of abode."

No action taken by homesteader to apply for Patent. Fresh proceedings by F.E. Friswold August, 1909.

J. W. Greenway, Esq.,
Commissioner of Dominion Lands.

J.W.G.

August, 1909. Fresh defence same as before.

Inspector's report ordered. Link reported that neighbors could not verify residence claimed. Homesteader had always resided in Pincher Creek, where he has been engaged as clerk and manager for The T. Lobel Company during the past ten years. As far as neighbors knew no residence except sleeping on land a few nights some years ago. Had not resided or slept on homestead since 1904.

Declaration submitted from neighbor, does not believe he has slept on homestead more than twelve nights since making entry.

Improvements:-

House $75.00
Stable $10.00 (dilapidated)
30 acres breaking, grown to weeds, no value.
One mile fencing $50.00.
13 horses pasturing on land.

Entry cancelled May, 1910, on above report. Friavoli secured re-entry.

Protest and cross-protest.

It was decided by the Department that cancellation was amply justified, but in view of protest made by homesteader, papers were returned to Mr. J. W. Martin who investigated taking evidence under oath. Friavoli notified last December, 1910, not to go into cultivation or perform any improvements. He went into residence during December and is still on land.

Mr. Martin now reports submitting evidence. ~~during three six months residence.~~

Mr. Martin considers we should not be deprived of a further chance to secure this quarter-section

J.W.G.

section. Mr. Martin does not think Moore is entitled to patent, but recommends that he be reinstated and allowed to complete his duties. Frisvold to be refunded his entry fee and money paid on account of improvements.

From Mr. Moore's evidence underneath it would appear that all he claims is an average of four nights a week, from 1st April until 15th October in 1902, 1903, 1904. The evidence is somewhat conflicting. Four witnesses while not giving actual dates are favourable, being under the impression that Mr. Moore slept on the land the greater portion of the nights during the three seasons above mentioned. Three other parties are unfavourable, not aware of any bona fide residence, being near neighbors think they would know. This is not what would at any time have been accepted by the Department as bona fide residence.

The point is whether since Moore was not at any time warned by the Department that he was not complying with the regulations, he should be regarded as entitled to another chance.

Moore's contention is that in the early days the form of residence put in by him was considered ample as long as the homesteader did his improvements.

As the entry was in default when cancelled, and as Frisvold secured entry in a regular manner, paying $230.75 for the improvements, I do not see on what ground his entry is to be cancelled.

However, Mr. Martin's recommendation is submitted for your instructions.

Respectfully submitted,

F. Fitz Roy Dixon

MEMORANDUM:-

N. W. ¼ of 2--6--29--W. 4th M.
Cancelled homestead of T. J. Moore.
Re-entered by E. F. Frisvold.

I submit Mr. Martin's report of his investigation.

The whole point in this case is whether sleeping on a homestead four nights a week for six and one-half months in each of three years, homesteader a single man engaged in business in town, can be considered as showing good faith?

This time was put in from 1902 to 1904 before the present regulations were adopted. At the present date such residence would not be considered as giving any claim, but this homesteader was never warned that he was not complying.

Martin thinks Frisvold should be cancelled and Moore given another chance.

As Moore was clearly in default, and Frisvold obtained entry in a regular way, I do not myself see how this is to be done.

Detailed statement will be found below.

Respectfully submitted,

Dec. 24th. 1910.

Dear Sir,

re File #638447.

re N. W.t 2-6-29 W.4th.

re Frisvold & T. J. Moore.

Frisvold has come to me in a very disturbed state of mind owing to the contents of your letter to him of the 1st. inst. He is in receipt of a letter from the Agent of the Dominion Lands at Lethbridge, dated Nov. 17th./10., which reads as follows,-" I beg to say that it has been decided to confirm you entry for the N. W. 2-6-29 W. 4th. M. and you are at liberty to complete the required duties." On receipt of the above letter Frisvold immediately made entry having already paid the sum of $135.00 and $96.00 for the improvements etc. on the land. Moore, the former entry man on the homestead has threatened to eject Frisvold by force and claims that he will do same on Dec. 26th.

You will notice that this matter is very contradictory owing to the matter being proceeded with from both Ottawa and Lethbridge. It is now about a year since Frisvold applied for the cancellation of the above homestead and it does not seem fair that Moore should have so much time to produce evidence as to the bona fides of his claim. Would you kindly let me know the present status of the matter?

Yours truly,

D. M. Ormond

Dear Sir,

April 6th. 1911.

re File # 638447 (T. E. L. P.)
re Frisvold N. W 2-6-29-W. 4th. M.

I beg to refer you to your favor of January 11th. 1911. Upon reading over this letter I find that you had the mistaken idea that I was representing Mr. T. J. Moore; by refering you to my letter of December 24th you will find that I was writing on behalf of Frisvold.

On March the 28th I attended at the investigation held by Mr. J. W. Martin Inspector of Dominion Land Agencies when Frisvold, Mr. Moore and a number of witnesses were present. As Mr. Moore was not represented by a counsel he madd a very strong objection against me being present and to have matters settled as amicably as possible so I agreed not to cross-examine any witnesses. I expect that the evidence taken has reached you by this time and will be laid before you. Upon the evidence you will see that Mr. Moore did not any time move unto the land as a settler but endeavor to fulfill the letter of the act in order to obtain title to the land and since the land has increased in value he naturally wishes to hold same, as a matter of speculation.

On the other hand Frisvold is a bonifide settler and is ready and willing to go right onto the land and stay there. He has already paid for any improvements made by Mr. Moore and in veiw of thevidence it is hard to see why he should not be able to complete his term of residency and get his patent.

You will notice in the evidence given that the nearest neighbors to Mr. Moore's homestead are the parties who saw him the least on his homestead; this however is all before you.

Would you kindly let me know what steps you intend to take at your earliest convenience. As personally I am of the opinion that Frisvold is entitled to retain his entry and should also be given the hearing in his own behalf, as Mr. Moore had all required notice prior to the stepsbeing taken for cancellation.

Yours respectfully,

To the Secry.

24th July, 1913.

Mr. Moore.

N.W.T. of 2--6--29--W. 4th Mer.
Cancelled Settlement of E. T. Moore.
Now Settlement of L. D. Griswold.

[illegible] letter of Mr. Moore [illegible] refunded the value of the improvements [illegible] left on the above land I beg to say that from the information on file the amount entered paid $30.75, for these improvements but it does not appear to have been a very accurate report from the Inspector in order recording these improvements as the only [illegible] I can find on file in this office is a report from Inspector Riche dated the 23rd of April 1910, wherein it is stated that [illegible] visited the land the improvements consisted of :-

[illegible] value---------$75.00
[illegible] " ---------$15.00
30 acres [illegible] cropped.
[illegible] ---------$90.00

In the last paragraph of this report he states he went to interview the homesteader at Lumber Creek and after going back to homestead again he found that no steps had been re-planted or broken immediately after his first visit. He placed no valuation on the improvements but the present homesteader apparently paid $30.75 for same, and Mr. Moore is only entitled to the amount which has been paid in.

In the unofficial

In the unofficial letter herewith from Mr. Perron, M.P. for Pincher Creek, he states that the improvements were worth $1000.00 and requested that a fresh report should be obtained from the Inspector and that Mr. Moore was harshly treated by the late government.

On going through the papers on file I find that cancellation proceedings were instituted and the defence was filed claiming residence 1913, 1914 and 1915 by sleeping on the homestead at nights and the necessary cultivation had been done.

On receipt of this letter in the Department Mr. Moore was informed that before taking any action the Department would require a Homestead Inspector to visit the land and report and if he considered the improvements satisfactory he would take the application for patent.

When this report was received in the Department Mr. Moore was not told what the report contained and was not given an opportunity to go on and complete the duties in a manner satisfactory to the Department but the entry was simply cancelled on the strength of the Inspector's report.

It appears to me that Mr. Perron's contentions to the effect that Mr. Moore was harshly treated seem to be borne out but the duties were apparently in default according to the Inspector's report and the practice of the Department is always to give a homesteader an opportunity to go ahead and complete the duties, if he so desired, and in this case Mr. Moore was not given a chance.

The entry was cancelled for re-entry granted to the [illegible] on the 7th of June 1910 and according to his own statement has now completed the duties to entitle him to apply for patent so it would hardly be advisable to take up the point again as to whether he was entitled to this land but Mr. Moore was entitled to this land but it would be paid for the improvements and it would be hard for an Inspector to place a valuation on the improvements at this late date.

Sir:-

With further reference to the sale to Mr. Francis A. Conklin of [illegible] of Section 28 of the W.½ 36-15-5 W. 4th Mer., which was formerly a stock-watering reserve, I beg to say that an enquiry has been made by the firm of Macaulay & Burnett, Barristers, High River, Alberta, as to whether it would be contrary to the regulations to obtain a loan on the security of this land prior to the issue of patent or to assign the land, or whether it could be treated as a pre-emption or purchased homestead, and on completion of the duties application for patent could be made and a Certificate of Recommendation received which would enable the purchaser to raise a loan [illegible] off the land.

Also whether any such rules were made and if established by Order in Council the date thereof?

Will you kindly advise me at as early a date as possible in this connection, or communicate direct with the above mentioned firm and forward me a copy of your communication.

In the Matter of the North East 1/4 of Section [illegible]

Homestead Pre-emption

I, Daniel Kutzungiewicz of
Woodlak Egg Lake
do solemnly declare:-

That I made entry for the above mentioned lands at the Dominion Lands Office at
Edmonton on the 15th day
of June 1897, and I now ask to have said entry cancelled,
and be permitted to take up another homestead for the following reasons, namely:

(Here state reasons.) (1) It is much too stony for profitable Cultivation

(Here state nature and extent of residence, and, if not on homestead, where performed.) (2) Over two years -

(Here describe the improvements and state value thereof. (Give area of breaking and cultivation each year.) (3) Log house & stable worth $15.
10 acres breaking - worth not very much because it will not yield good crops being light - It is worth about $15.

That I have not received, directly nor indirectly, nor have I agreed or promised, nor do I expect to receive any consideration for such Land or this application or entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of The Canada Evidence Act, 1893.

Dear Sir:

Re: N.E.¼ 27-61-19-W 4th M.
Homestead Mrs. Anna Bodnar
Your file 37032.

In reply to your letter of March 8th, I may say that when Michael Boarman applied for patent for the S.E.¼ 25-57-20-W 4th Meridian, he furnished a certificate of naturalization dated May 11th, 1907. Mr. Boarman could not write and his signature was a mark requiring a witness.

Wasyl Bodnar, the entrant for the N.W.¼ 3-58-19-W 4th Meridian, when he applied for patent claimed British nationality by the naturalization of his father who obtained patent for the S.E.¼ 25-57-20-W 4th. An affidavit was furnished that the father's correct name was Mike Bodnar and that it was through his unfamiliarity with the English language that his name was spelled Boarman. Wasyl Bodnar also furnished a Solemn Declaration that he was a minor when his father was naturalized and on attaining majority he did not renounce British nationality.

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

W. A. Wood, Esq.,
Director of Lands,
Department of Lands and Mines,

Memorandum:-

The Agent at Calgary forwards here an application from Messrs. James McK. Andrews and and T.H. Andrews, of Davisburg, to be allowed to purchase ~~that~~ the portion of the N.W.¼ of Section 34 - 21 - 28 West of the 4th Meridian, lying south and west of the Bow River, containing an area of 17.41 acres. The Agent states that the land is required for the grzing of the applicants' cattle, and he recommends the sale.

From the plan of this township hereunder you will see that these gentlemen already own considerable land, some 1100 acres or so, though some of it was purchased from the Railway Company. The records do not appear to show that the S.E.¼ of section 33 has been yet patented to the company, or to a nominee.

The land applied for is clear in the records here. Do you approve of it being sold to the applicants at the current rate and upon the usual terms ?

Your recent ruling in regard to even numbered sections will not affect this application, it being dated some time back.

Mr. James Graham writes that he made application in June last to the Agent at Lethbridge for S. E. ¼ of Section 30, Township 7, Range 3, West of the 5th, with the intention of settling on the land with his family, and that he has the logs cut for his house on the quarter-section, but, as the Agent had not received a plan of survey of the township, the latter could not take any action in the matter.

An application to purchase this land, which has not yet been subdivided, for coal purposes was received from Mr. H. L. Frank on the 23rd July last, (file 407738 T&M).

I think that Mr. Graham might be told that he will be given the first right to acquire the quarter-section as a homestead after it is open for entry, provided he is eligible and the first applicant.

Dom. Lands Commissioner,

Dear Sir:-

I beg to enclose a letter to myself from Jas. Graham, of Frank, Alta. in which he states his case in regard to homestead application for s.e. 1/4 30-7-3-5. He applied to homestead on June 14th before survey plan had been received at Lethbridge office, hence his application could be received but entry could not be granted. After hauling logs on the land and preparing to do improvements he was refused entry, being informed that Mr Frank had purchased the land. He thinks that his application to homestead was prior to that of Frank's to purchase, and therefore should have been granted. If that is the case I think so too, and always understood that to be the policy of the department. Kindly let me have your ruling in the case for the information of Mr Graham.

Memorandum.

As instructed by you I have looked into the complaint of Jas. Graham as submitted by Mr. Frank Oliver, M.P., and find the facts to be as follows :-

On the 17th June, 1901, The Agent at Lethbridge advised the Department that Graham had applied to homestead the S.E.¼ 30--7--3--W. 5th M. as the land was not surveyed the A.D.I. was informed/the ¼ section could not be held for Graham but if he was in occupation and remained there he would be entitled to the benefit of Cl. 33 when the land was available.

On the 18th July, 1901, W.C. Franks applied to purchase coal and surface rights of E.½ section, and on the 29th of that month he was permitted to acquire it " for coal mining purposes." This, according to the Memorandum initialled "H.H.R." includes surface and coal mining rights. The C.P.R. right of way was subsequently reserved.

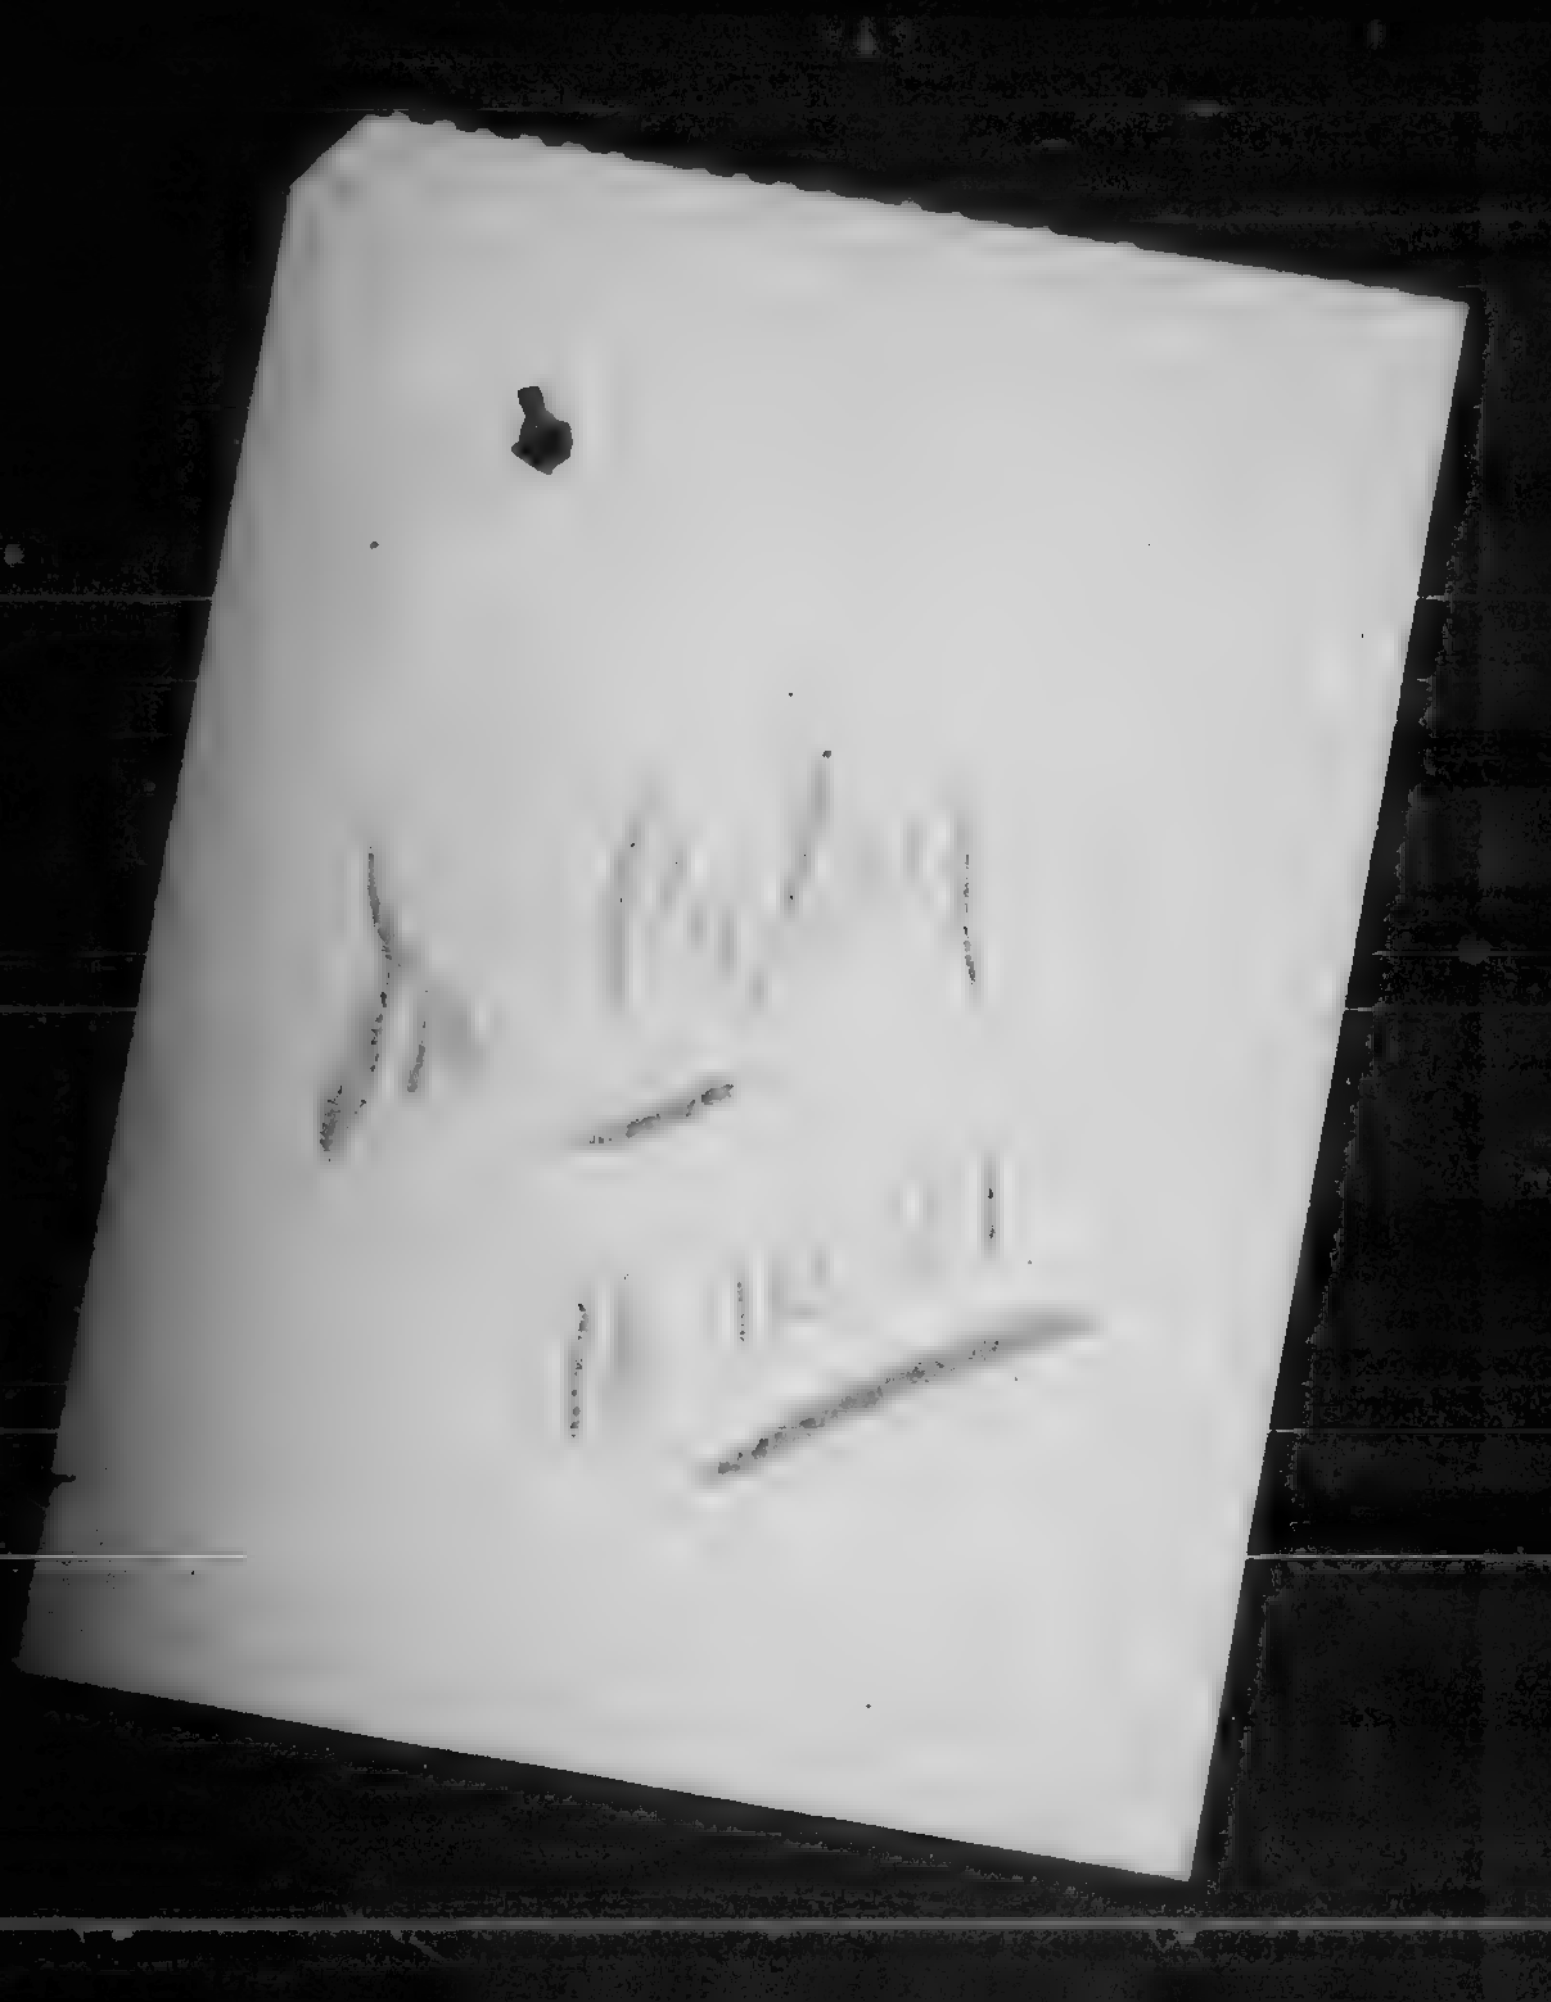

Respectfully submitted

Dear Sir.

James Graham has home steel entry on Jan. 21st, 1909 for the S. E. quarter of 10- 2-3-5. Some kind person has told him that he can get his land for a steal for this matter. Graham will likely let his claim in the report which he owes.

Sir,

In reply to your letter of the 2nd instant to the Commissioner, I am to inform you that according to the records in this department Mr. James Graham holds a homestead entry for that portion of the S.E.¼ of 30, 7, 3, East 5th W., lying north of the river. The information as to the sale of the land to Mr. Frank Ollivan as received, no doubt has reference to the mining rights in the East half of the section mentioned, which have been disposed of under sale to Mr. Frank. Will you please inform Mr. Graham how it stands as we do not appear to have his address.

MEMORANDUM:

James Graham held the S. E. ¼ of Section 30, Township 7, Range 3, West of the Fifth Meridian.

He was killed in the landslide at Frank, and according to the Homestead Inspector's report the whole quarter-section is buried some hundred feet under rock.

The duties had not been completed at the time of the accident, but his brother, William Graham, is desirous of applying for patent.

To complete the duties now will be impossible, and it would seem useless to patent the quarter-section unless the heirs desire to utilize the rock which is said to be valuable limestone.

What action should be taken?

Respectfully submitted,

Commissioner of Dominion Lands,

This is a very curious case, the facts of which are set forth in my memorandum of the 19th June, 1905.

The homesteader being dead and the land covered by the rockslide which destroyed the settlement at Frank, Alberta, the legal representative now asks that a patent be granted for another quarter-section. The land he wants is apparently vacant.

If proof is furnished of the performance of the required duties by the late homesteader on the land which he then held would you be disposed to entertain this application, and if the duties have not been completed would you allow the legal representatives to do what is necessary in this regard on another quarter-section?

MEMORANDUM:

Mr. T. B. Martin made application in his letter of the 4th April last on behalf of Mr. S. F. C. Martin of Blairmore for permission to purchase rights of the S.E. ¼ of Section 23, Township 7, Range 3, W. 5th. Meridian; and represented that the quarter section was not suitable for homestead purposes, there being less than 5 acres capable of being tilled.

Mr. C. P. Hill also made application in his letter of the same month that he be permitted to purchase the surface rights of a portion of the said quarter section (legal sub-division 1), together with legal sub-divisions 3, 4 and 6 in Section 20 in the same Township. He stated in this connection, that this land was at the edge of the Frank slide, not in any way subject to any other application for homestead entry or otherwise. He points out also, that the quarter section in question was entered before the slide, but that since that date no one has been living upon the land. He requested, therefore, that any entry that might have been made for the parcel be cancelled.

The records show that that portion of the S.E.¼ of said section 20 north of the river was entered for as a homestead by Mr. Jas. Graham on the 31st. January 1902, and that the portion south of the river was entered as a homestead on the 29th of the same month by J. R. Graham. Mr. Jas. Graham, the homesteader of the portion north of the river,

was

killed by the landslide at Frank, which at the same time buried the land under a mass of rocky debris, and rendered it useless as a homestead. It was, in consequence, decided to allow the legal representative to select another quarter section of available land, transfer the entry thereto and credit the duties already performed by the late homesteader.

Mr. Wm. Graham, son and administrator of Jas. Graham, selected a quarter out of the W.½ of section 25, Township 7, Range 3, W. 5th. Meridian, but the selection was not allowed owing to the land being a portion of an odd-numbered section. The transfer of the entry has not, therefore, been carried out as yet, and both the homestead of Jas. Graham and J. B. Graham for the portions of the quarter section mentioned, still stand in our records.

Mr. Jas. Varley enquired in his letter of the 10th. May last as to whether or not this quarter section was available for homesteading, and stated that the homesteader was dead and had no improvements on the property; On the 14th. June last the Agent reported that he had received an application from Mr. Varley for inspection of location of the S.E.¼, and issued the usual notices to J. B. Graham.

I observe that Mr. Varley's letter appears to relate to the portion of the quarter section north of the river, the homestead of Jas. Graham deceased, while the Agent's notice relates to the part south of the river, J. B. Graham's homestead.

The quarter section is covered by an application for coal; and Mr. Challis reports that there is an applica-

tion

tion for the diversion of water for power purposes at a point on the quarter-section.

Memorandum:-

Referring to your enquiry attached to the accompanying file, it appears by the records of the Department that that portion of the S-E.¼-30-7-3-W.5 lying north of the river was homesteaded by James Graham, who was killed in the land slide at Frank, Alberta, when the homestead, I understand, was largely covered with debris.

This case came before you some time ago, and, under your instructions, the Local Agent at Lethbridge was requested to advise the legal representative of the late homesteader that

> "If the right granted to select an available quarter section of Dominion Lands in lieu of the parcel covered by the deceased's entry is not exercised within sixty days from the 15th of the current month, the privilege will be withdrawn and the entry cancelled".

With regard to that portion of the South East quarter of Section 30, above mentioned, lying south of the river, this was homesteaded by J. R. Graham, and cancellation proceedings were instituted on the 2nd June, 1906, on an application for inspection filed by James Varley. There seems to be some doubt, however, as to the land affected by Mr. Varley's application, and it is thought that he intended to apply for the cancellation of that part of the

W. W. Cory, Esq.,
Deputy Minister of the Interior,

the quarter section lying north of the river. (See Mr. Cote's Memorandum attached to the file.)

So far as I understand the matter, this is the information you require, and there does not appear to be any portion of the land in question held under homestead entries which are not liable to cancellation.

Sir,-

With reference to your favor of the 4th ult., file 639435, in connection with the estate of the late James Graham, I beg to advise you that the deceased homesteader held an entry that portion of the SE quarter of Section 30, Township 7, Range 3 W 5th, lying North of the River, while his son J. R. Graham now deceased held the portion of that quarter section lying South of the River. Mr. William Graham has selected in lieu thereof the NW quarter of Section 24, Township 7, Range 3 W 5th, and I am to inquire if this selection is to be accepted in lieu of the two entries which covered the SE quarter of Section 30, or if he was to be allowed to select only the same area as that contained in his deceased father's homestead.

It would appear that there is another brother in this vicinity, Mr. Jonathan Graham, and until ~~letters~~ letters of administration have been received here, it would appear that no further action can be taken in regard to his application.

Ottawa. 24th August, 1907.

[illegible] UNION
[illegible]

MEMORANDUM:

This is a case arising out of the Frank Land Slide, whereby three homesteads were obliterated and the occupants killed.

Their legal representatives now apply for other lands in lieu of the lost homesteads.

James Graham on the 21st of January, 1902, homesteaded that part of the SE¼ of Section 30, Township 7, Range 3 West of fifth Meridian, lying north of the river, containing 79.2 acres. His son, J. R. Graham, on the 29th of the month making entry for the remainder of the quarter section, containing 80.8 acres.

The father completed a house, stable, hen-house, broke a few acres, had twelve head of stock, and resided thereon from the Fall of 1901 until the 29th of April, 1903, the day of the Land Slide when he was killed.

The son resided probably with father from the 29th of January, 1902, until August following, when he served with the troops in South Africa until December following. His improvements consisted of fencing and dwelling worth $400.00 with six head of stock. He was living on the land or with his father at the time of the land slide, which overwhelmed them.

J. A. Coté, Esq.,
Acting Deputy Minister of Interior,
Ottawa.

Mr. Wm. Graham, son of the late James Graham, claims to be administrator of the estate and asks for fresh land in lieu of his father's homestead, and has designated the NW¼ of Section 24, Township 7, Range 3 West of fifth Meridian.

The Commissioner approved of his request and it remains for us to issue the necessary authority.

There is, however, a point to be considered, inasmuchas they ~~should~~ are to be given a full quarter section in lieu of the homestead of less than eighty acres.

According to the Homestead Inspector's report, he desires to retain his brother's, James R. Graham, homestead for the portion lying south of the river.

Some confusion arose in dealing with these cases owing to the similarity of names and circumstances in connection with the NE¼ of this section, homesteaded on the 23nd of August, 1902, by Alexander Graham, who, it was thought, was of the same family. This, however, does not appear to be the case.

Alexander Graham squatted on the land in April, 1901, completed a log house worth $150.00, stable $150.00 and did some cultivation. He presumably lived continuously thereon and was also killed by the land slide. His legal representative, W. R. Graham, asks to be allowed to select another quarter section and names NW¼ of Section 24, Township 7, Range 3 West of fifth Meridian, but this having been previously selected by Wm. Graham.

Graham, in lieu of his late father's homestead, should not be granted him.

I would recommend that the Department compensate the heirs of James Graham and Alexander Graham by fresh lands, giving them credit for whatever duties have been performed and on completion of the homestead conditions, patents to be issued. No action is seemingly necessary regarding the homestead of James R. Graham, as the ~~homesteader~~ administrator is willing to retain it.

It must be decided, however, whether the Department will give an entire quarter section for James Graham's homestead.

Letters of Administration should be filed before action is taken.

I might add that these cases were the subject of correspondence with Mr. Frank Oliver, M.P., before he entered the Cabinet.

Respectfully submitted,

T. Tilz Roy Dixon

Sir,

Referring to the correspondence that has taken place concerning the South East ¼ of Section 20, Township 7, Range 3, West of the 5th Meridian, I beg to inform you that it has been decided, after carefully considering all the circumstances of the case, to accommodate the heirs of your late father, Jacob Brake, by giving them an available ¼ section in lieu of the homestead, that part of the ¼ mentioned, lying north of the river, and at the same time credit them with whatever duties were performed thereon. They will have to arrange for the completion of such duties or to residence or improvements in accordance with the requirements of the Act, the conditions of which you will find set forth in the accompanying printed memorandum. But before this arrangement is ~~carried~~ carried out or patent issued you will require to file with the Department a certified Copy of letters of Administration, showing that you are the personal representative of the deceased.

It is

William Graham, Esq.,

It is noted that you are satisfied to retain the homestead of James R. Graham, that part of the ½ section lying south of the river, so that no compensation will be given you in connection therewith.

Be good enough to advise the Agent of Dominion Lands at Lethbridge whether you are still desirous of securing the North West ¼ of Section 24, Township 7, Range 3, West of the 5th Meridian in satisfaction of the claim of the heirs.

Sir,

I beg to inform you, that after considering all the circumstances relating to the North East ¼ of Section 30, Township 7, Range 3, West of the 5th Meridian, the homestead of the late Alexander Graham, it has been decided to give his heirs a ¼ section of land in compensation for the loss resulting from the land slide, which entirely obliterated the homestead in question.

If, therefore, you will file here a copy, certified by the proper officer of the Court, of the letters of Administration, showing that you are appointed to act in that capacity, you will be permitted to select an available quarter-section; credit will be allowed for whatever residence was performed by the late homesteader, Alexander Graham, upon his land.

The requirements of the Act will have to be fulfilled in accordance with the conditions set forth in the enclosed printed memorandum.

Encl.

It is observed that you are desirous of securing the North West ¼ of Section 24, Township 7, Range 3, West of the 5th Meridian; but this has already been selected by Mr. William Graham in connection with the homestead of his deceased father.

Sir,

Referring to the correspondence that has taken place respecting the north half of section 20, Township 7, Range 3, west of the 5th Meridian, the homestead of the late Alex. Graham, and the decision to give his heirs a quarter section of land in compensation for the loss resulting from the timber limit, which entirely obliterated the homestead in question. I beg to inform you that it has now been decided that if you will submit the proper legal evidence by letters of administration that you are authorized to act in this matter, the Department will permit you to acquire the original homestead above mentioned by purchase at the rate of $1 per acre in lieu of further assistance. This will be instead of securing land elsewhere.

I am, however, to point out that it will be necessary for you to come to a definite arrangement without further delay as the matter has been standing now for a long time.

You will be allowed 30 days from this date within which to satisfy the Department as to the foregoing conditions.

I have not had any word from the homestead inspector for this district for some time. Is any application for patent of my homestead entry No. 1633123 before you? I think the best thing for me to do is to pay the $ I put near as instalment with the letters I have received. Please particulars as to what this entry is to be for and to whom this money is to be paid immediately you will send me. The patent will be forwarded so that you can issue one. I have the receipt for the letters of authorization issued to me at Macleod, which please return as I have to deposit same with an Calgary firm, to procure my claim to a ½ sect of land bought by me. MEMORANDUM

Mr. Dixon.

Part of S. E. of 30--7--3--W. 5th t. south of the River. Homestead of J. W. Graham.
23th January, 1911.

Is this homestead containing about 80 acres to be sold to the legal representatives at $1 per acre in lieu of performance of duties?

Your report of the 24th of August, 1907, sets forth the facts with regard to the homestead. The man and his father held connected entry for the whole of the quarter section, the latter having the part north of the River.

In April, 1903 both father and son were killed in the Lake Ellis disaster, where these homesteads are situated. The Administrator of the estate, desired to retain the homestead now in question, but applied for and was given permission to purchase the other part of the quarter section at $1 per acre in lieu of further residence. This was before the new Act came into force stating residence on the part of the legal representative.

William Graham, a brother of the deceased homesteader, has filed Letters of Administration in connection with the father's estate, but I do not see anything on file to show that he has been made Administrator of the brother's estate, the land now in question.

11

question. William Graham now tenders a cheque for $80 in payment for the part of the quarter section south of the River, evidently assuming that since he was allowed to buy the part north of the River, the same decision would apply in the present case.

Perhaps it might be desired to compel the estate to complete the cultivation duties and erect a habitable house or lose the land. If so, a Homesteader's report might be necessary to show whether or not the land since the land-slide is capable of being cultivated.

Respectfully submitted.

H. E. Hume

The privilege of purchasing was not allowed in this case. Duties will have to be performed in accordance with regulations. Administrator may take advantage of new Act

As you issued patent for the portion occupied by my father, on payment of one dollar per acre in lieu of any further duties, I was certainly under the impression that the same arrangement would apply to that of my brother, which in reality is part of the homestead, and why two entries had to be made for this homestead, I have never been able to ascertain.

I explained to the facts to the homestead inspector in an interview at Frank about four years ago, as to time of residence, buildings and improvements etc, and he expressed himself as satisfied that more than the necessary improvements had been done, with the exception of residence, and promised that under the circumstances, he would make the recomendation to your office that patent be issued.

Trusting that you will make just allowance for the peculiar nature of this case, and have patent issued on the same basis as on that of my father, I Remain,

Yours Truly

To The Secretary
Department Of The Interior
OTTAWA.

Dear Sir ;

Your Letter of the 31st to hand and contents noted. Re patent for my the horestead of my brother , John R Graham, I would like to state that I have always been under the impression that all the duties connected there-with had been completed.
My Brother lived with my father on the ~~homestead~~ homestead, and on the portion occupied by my father, they built a house, stable, and various other outbuildings, which were all destroyed by the Frank slide, in which they lost their lives.
About four years ago, I filled out one of these declaration forms for your office, and as I was in ~~th~~ England at the time of the slide I had considerable difficulty in gathering the information, as it had to be obtained from parties who were residents of Frank at the time of the slide.
This portion of the homestead is right on the end of the mountain from which the slide occurred, and is impossible of cultivation, and is only of use for grazing purposes.
Since taking out administration papers, I have put a five wire fence around this land, at a cost of eighty dollars in cash, and considerable time and labour.

File #639435

Dear Sir :

In reply to your communication of May 1st, I am herewith enclosing statement as requested. I filled one of these forms some time ago, and forwarded same to your office.

As I was not in this country at the time of my brother's death, I had some difficulty in obtaining the information required in this statement, and I omitted to keep a copy of same.

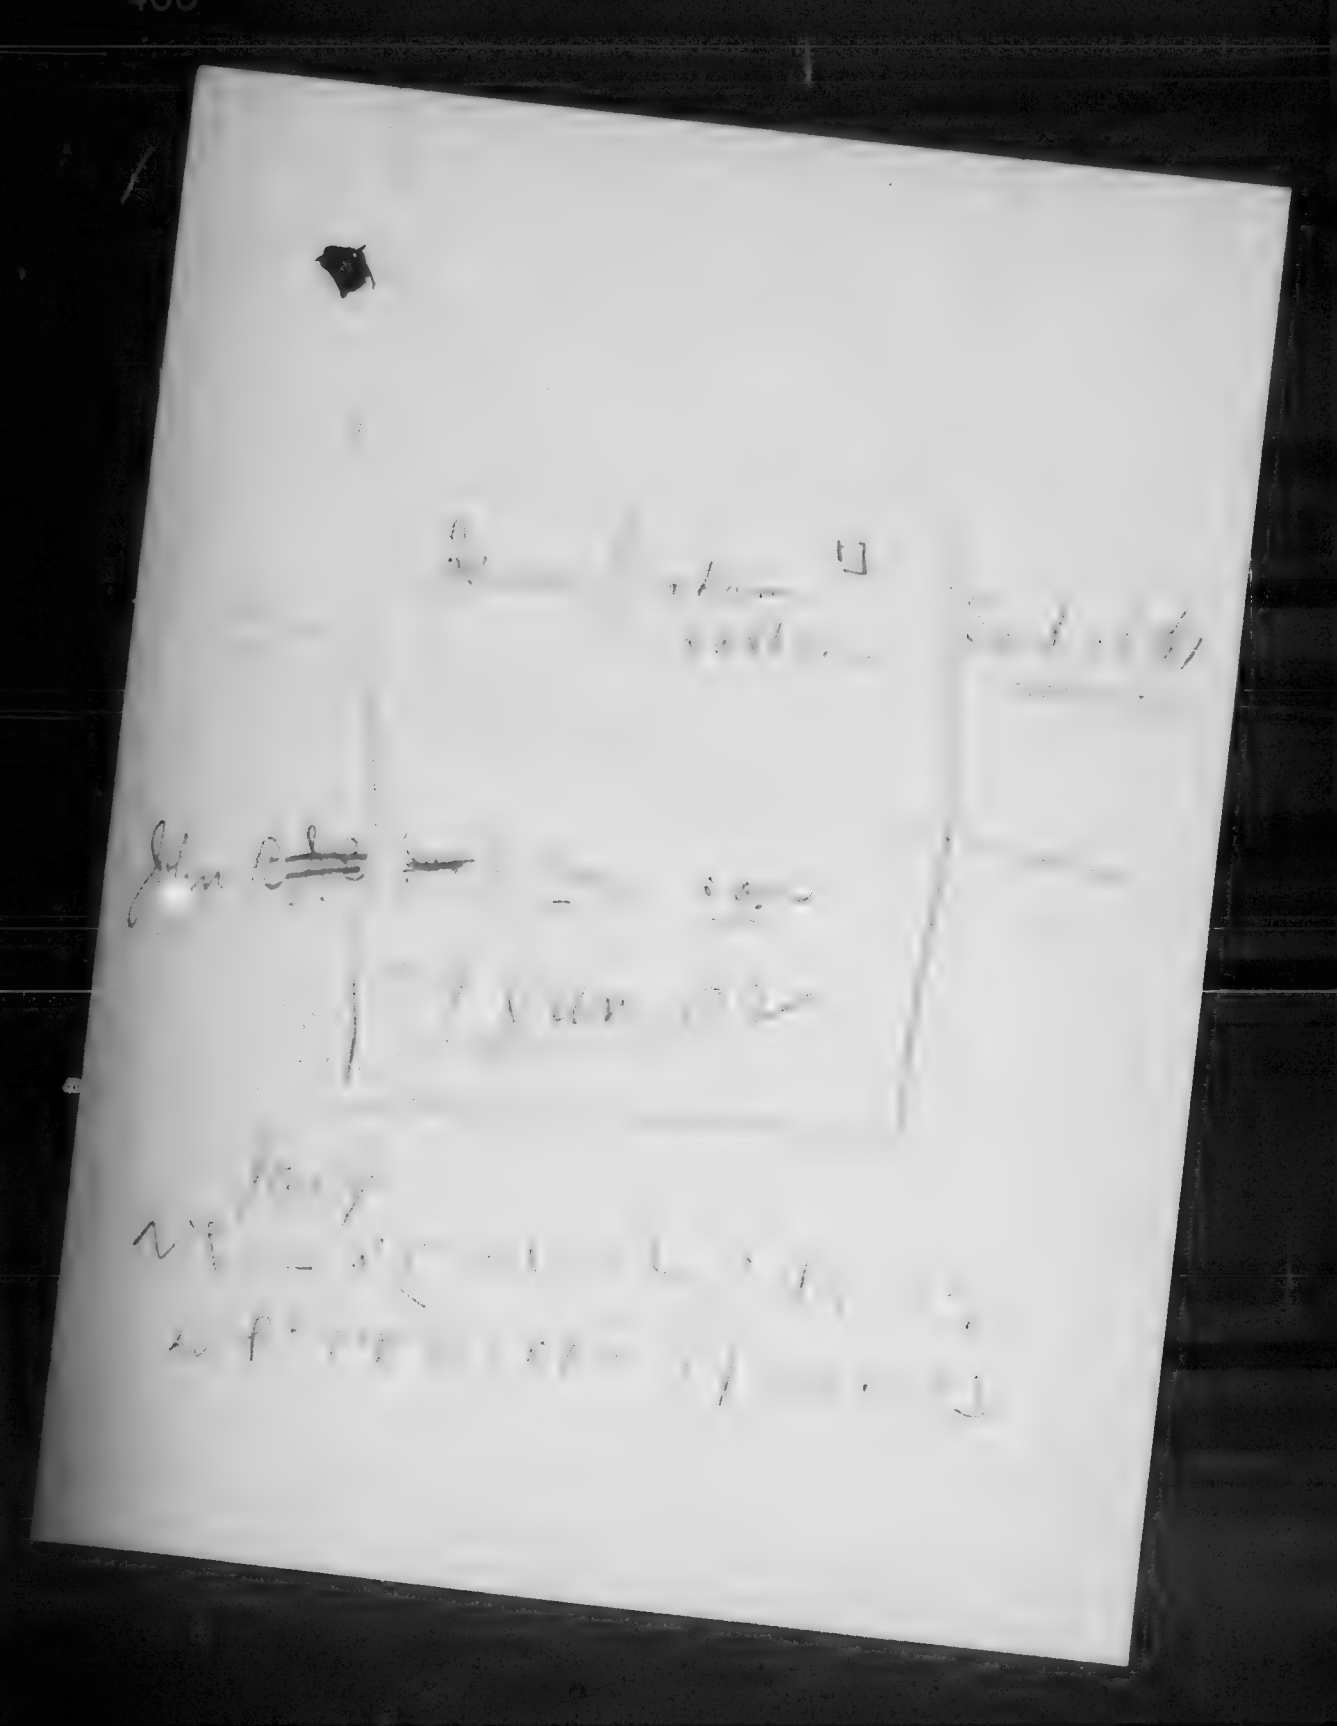

With regard to the filing of administration papers, this was done by me before you issued patent on the portion of this homestead lying north of river, and you will no doubt find same on your files.

As the improvements on this homestead were undoubtedly completed, and the circumstances of the death of my father and brother are exceptional, I consider that I am entitled to the patent on the homestead of my brother, just the same as on that of my father, as the qualifications and circumstances, are identical.

Trusting that you will give this your favourable consideration, I Remain ,

MEMORANDUM:-

J. Graham
Sec. of Sec. 30
J. R. Graham
Son

Part of S.E. ¼ of 30--7--3--W. 5th M.
Homestead entry late J.R. Graham,
29th January, 1902.
Entry cancelled by Agent 15th January, 1907.

May this cancelled homestead, containing about eighty acres, be sold to the legal representatives at $1.00 per acres, in lieu of performance of duties.

This man and his father held the whole of the quarter-section, the father having the part North of the River.

In April, 1903, both father and son were killed in the land-slide at Frank, being at the time in residence.

The Administrator was allowed to buy the father's homestead North of the River at $1.00 per acre, and he now has tendered payment for the part South of the River, claiming that the land is unfit for cultivation.

Duties:- The late homesteader, John R. Graham, lived with his father from date of entry till August, 1902 (about 6 months). He then enlisted in the Canadian

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
O T T A W A.

Canadian Mounted Rifles for active service in South Africa, and returned to his homestead shortly before the time of the land-slide.

Homesteader apparently had no improvements on his own land. A declaration made in 1907 by the homesteader claims that there was a house valued at $400.00, but his later declaration makes no mention of this house, and possibly it was situated on the father's homestead in which both father and son were living.

The homesteader has fenced the quarter-section with a five-wire fence.

At various times applications had been made for this land, or portions of it, by the following:-

G. E. C. Martin, of Blairmore, 1906, applies to purchase homestead rights.

Hill Crest Coal and Coke Company applied for legal sub-division 6, for use of railway.

James Varley applied for inspection June, 1906.

Mr. Turriff on behalf of one Little, applied in January, 1907, for the right to purchase or lease the East ½ of this section for quarrying purposes.

William Graham, of Coleman, is the administrator of the estate of his late father (homestead North of River), but he has not yet furnished the Department with Letters of Administration to the estate of his brother (homestead South of River).

Although the Agent cancelled this entry in 1907, it does not appear that the land was ever disposed of, and in view of the exceptional circumstances,

it seems

it seems to me that the estate has the prior right, and that it would be only fair, seeing the land is unfit for cultivation, to allow the estate the privilege of buying the part South of the River at $1.00 per acre, in the same way as was done regarding the part North of the River.

Respectfully submitted,

F. Fitz Roy Dyer

Sir,

Homestead of the late ~~James~~ Graham.

Referring to your letter of the 25th of May last, I beg to inform you that it has been decided to give the estate of the late homesteader the privilege of purchasing the above mentioned land at the rate of $1 per acre, in the same way as was done regarding the part of the section lying north of the river, which was the homestead of the late James ~~A~~. Graham.

In your letter you state that you filed administration papers before Patent was issued for the portion of the quarter-section lying north of the river, but on referring to the file it appears that what you filed was Letters of Administration in connection with your father's homestead. I would point out that the Department requires evidence that you are the Administrator of your brother's estate, and this evidence should

Sir,

In reply to your letter of the 12th instant, I beg to say that as Section 2, Township 4, Range 25, W. appears to be within or bordering on the limits of the Blood Indian Reserve the Commissioner can give you no assurance that you will be allowed t acquire any portion of this land under homestead entry, neither is he aware when it is intended to sub-divide the Townshi mentioned. Sir,

In reply to your letter of the 5th instant, I am to inform you that the reservation for stock watering purposes placed upon the S.E.1/4 of 2, 4, 25, West 4th M., will probably be removed at an early date. It has, however, been decided to dispose of such lands by sale in all cases where they were occupied at the time of the Inspector's visit. The sale will be open to public competition at an upset price of $5 per acre, after due notice has been given. You will see, therefor, that the quarter section cannot be made available for homestead entry and it will be necessary for you to find some other land. A copy of this letter is being mailed to the Agent at Lethbridge, and if you will communicate with him he will do all in his power to assist you in finding a suitable homestead.

JUN 10 1902 REGISTRATION OTTAWA

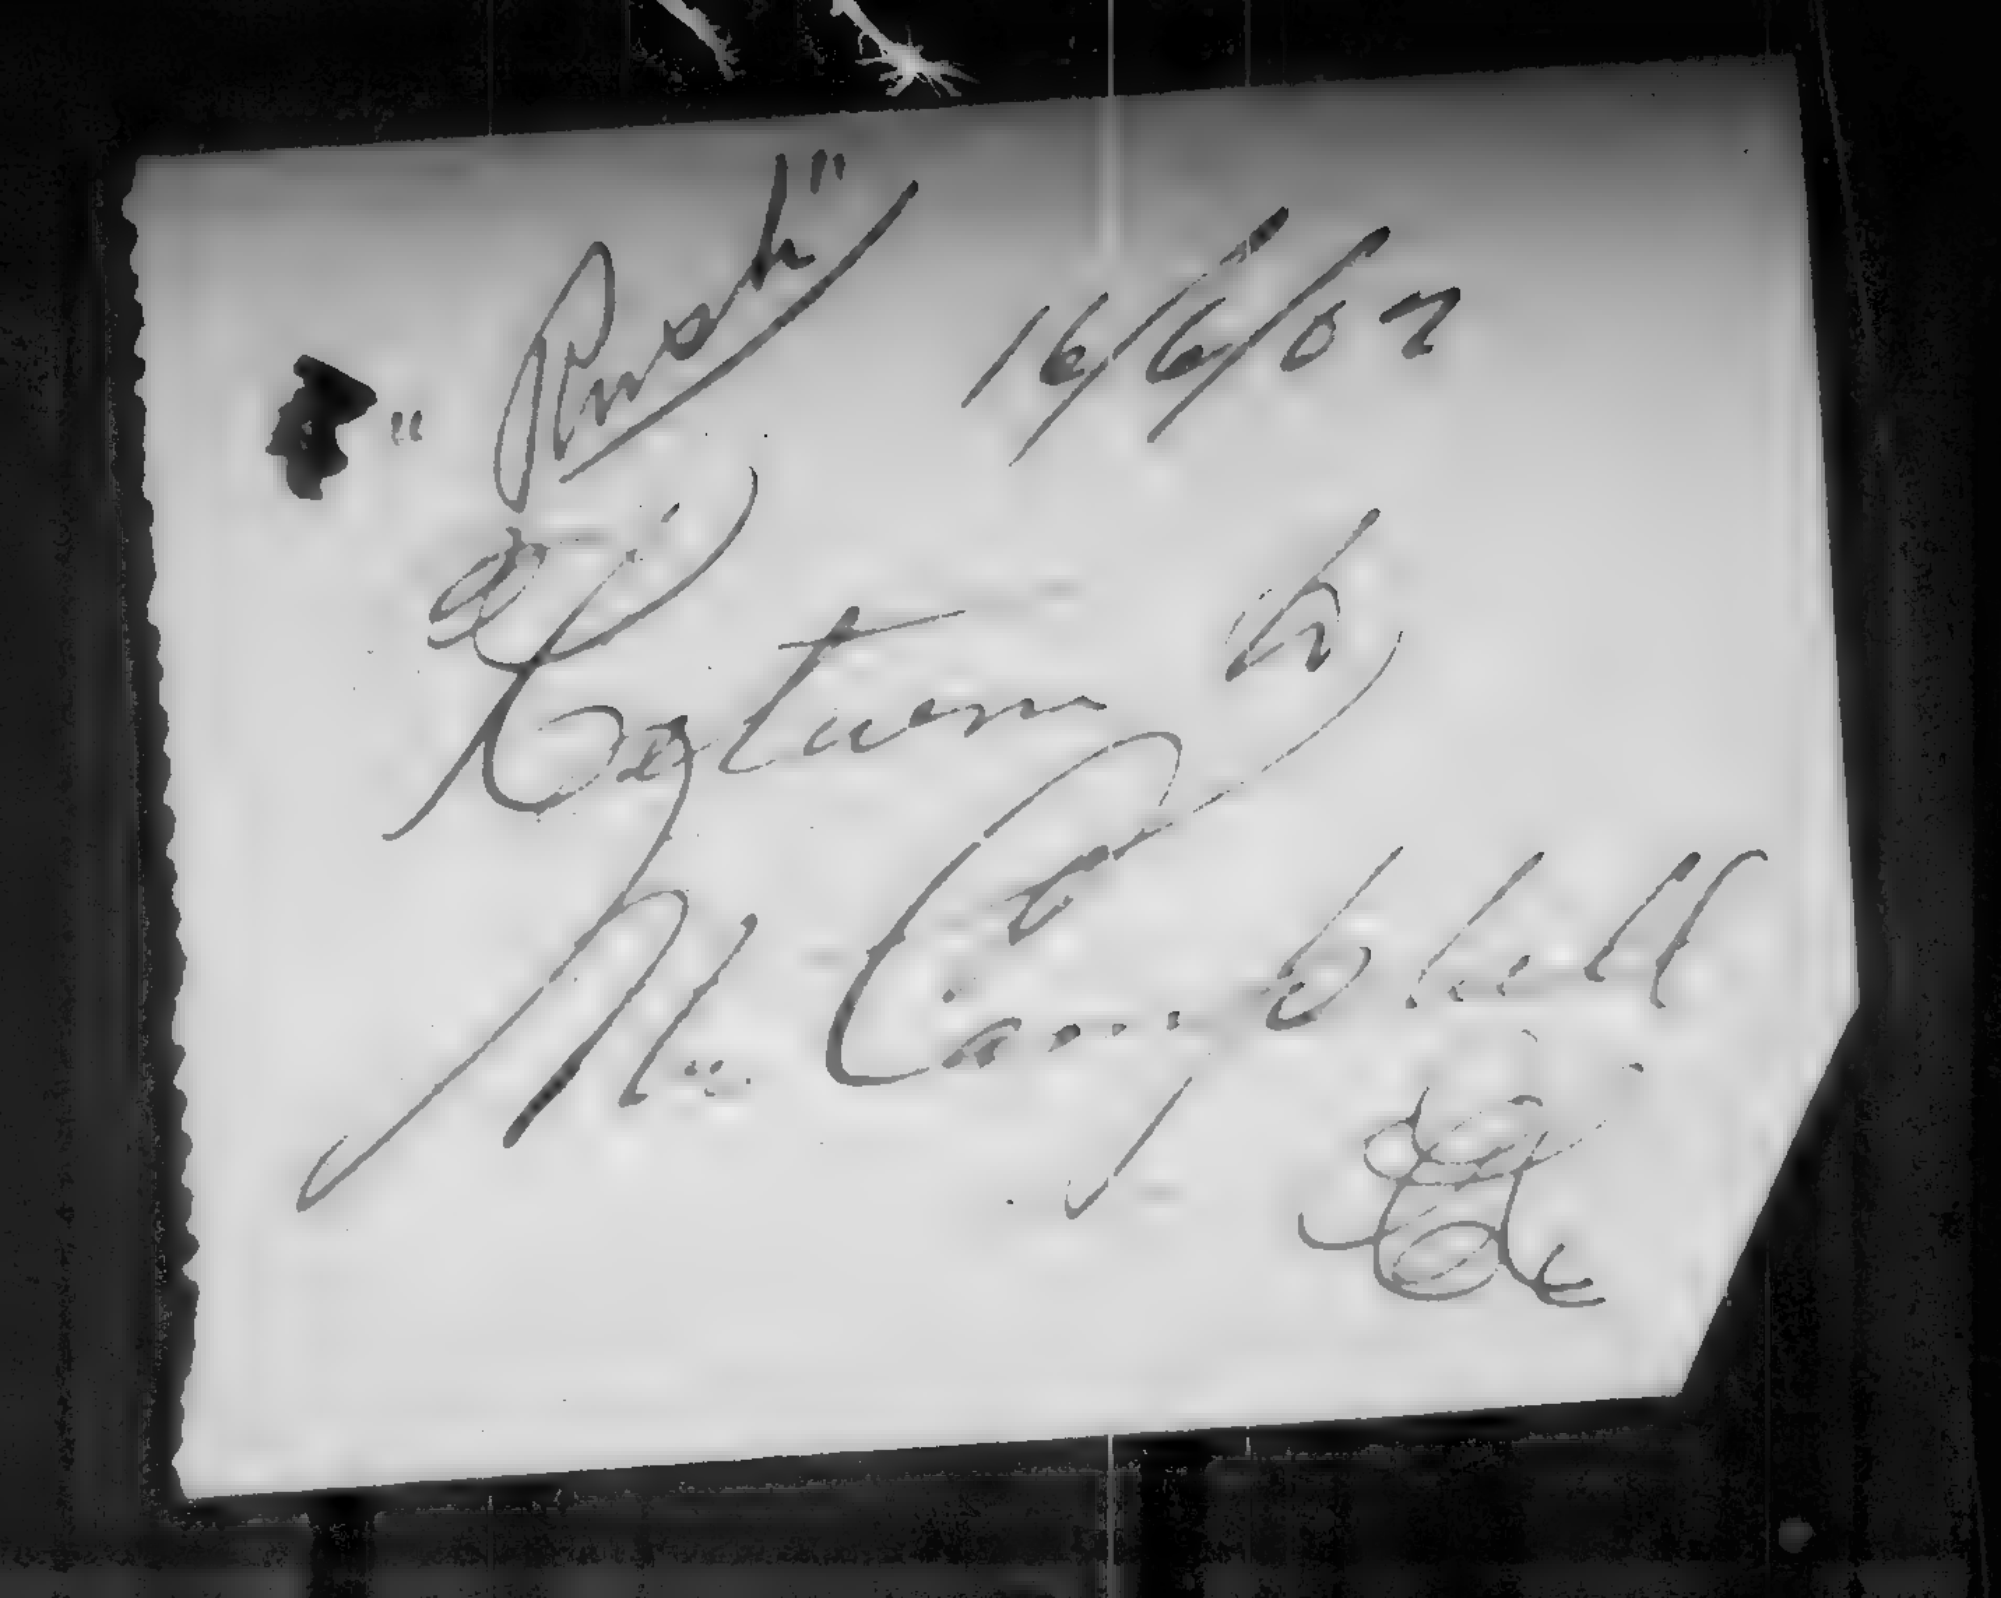

I have just to-day received your communication of the 23rd April File No. 426052 Tg: addressed to Messrs R.A. Nelson & W. . Pitcher, Cardston. I would say on behalf of Mr. Nelson and myself the two at present both have Homesteads. My Homestead is in Tp. 3, Rg. 24, W.4th Mer. and Mr. Nelson's is in Tp. 1, Rg. 23 or 24, West 4th Mer.

695904

About six or seven years ago, Mr. Arthur W. Pitcher and myself went in person to the Lethbridge land office, before Agent W.W. Cottingham and made application for the S.½ East of River of Section 2, Tp. 4, Rg. 25, West 4th Meridian, but I did not see any note taken of the application, as the agent stated that the land was a Government Water reserve. Shortly after that I was advised to write to Ottawa, which I did in connection with Mr. Nelson and received a reply I think, directing us to the Lethbridge Agent. At the time of Mr. Nelson's and my wiritn to you, my brother Mr. Arthur W. Pitcher was absent from this vicinity and knew nothing of it. Now it is the desire of Mr. Nelson and myself, that if possible, Mr. Arthur W. Pitcher who made application formerly, be permitted to homestead, that part the S.½ or 2-4-25, W.4th Mer. which is so described in letters he written you within the last two months, relative to this land. I have explained this matter fully and as it is mutually agreed be- Mr. Nelson and myself, that Mr. Pitcher homestead the land des him as so stated above, we humbly beg of you that you con- proposition as favorably as possible. Hoping to hear also that our wish, if reasonable and according to we remain, very respectfully,

Your obedient servant.

Sir: Reading vs. Bailey

3 no 1

I have carefully examined the record in the above entitled case, and find that on June 11, 1901, Thomas A. Bailey made homestead entry (Roseburg 04260) for lots 3 and 4, Sec. 1, Tp. 28 S., R. 4 W., Willamette Meridian, containing 159.59 acres, alleging settlement thereon on June 1, 1901.

On March 1, 1907, he submitted final proof, and the testimony of himself and two witnesses was taken before the Clerk of the Circuit Court at Roseburg, Oregon.

On March 11, 1907, Thomas A. Reading filed his application to contest said homestead entry, alleging that Bailey had wholly abandoned said land for more than six months next before the initiation of contest, and that he had not resided upon or cultivated any part of said land since his entry, but had resided upon and cultivated the land of his father-in-law, A. W. Tibbles, under date of April 19th, 1902, and that he still resided there.

Hearing was had before the local officers on April 19, 1907, at which both parties appeared and submitted testimony.

On May 1, 1907, the local officers rendered their decision, finding that the charges of contestant had been sustained, and recommending that the entry be canceled.

From this decision claimant appealed to this office.

Sir.

During the latter part of July last I received a notice from your Office to shew cause why I had not done my Homestead duties for S.E. ¼ of Sect 20. Tp 56. Rg 22. W of 4th Mer. I immediately filled in notice stating amount of work done by me since entering for this land, and left same at your Office. I have done all I could under the circumstances. as I have hardly held the place a year yet. and I am now occupying the position of Town Policeman in Edmonton in order to obtain enough money to get a start on this place, and am buying stock, and have got them with my relations close to my own place. I intend to go on the place as soon as I can earn enough here to get a start with, and would respectfully ask the Dept for a year's leave of absence in view of the circumstances, and the work already done.

I remain

E. 1/4 of 6 - 26 - 4, West of the 5th., for which he was granted entry the 30th ultimo. Should his entry for this quarter be cancelled he desires to homestead the N. E. 1/4 of 28 - 25 - 4, West of the 5th. Sir,

Homestead on N. E. Quarter of Section 6, Township 26, Range R 4 (four), West of 5th Meridian. William Best's application. Interim homestead receipt Nos. 51484 & 6606 dated 4th January 1902.

While teaching the children of a ranchers family at Cochrane I got interested in this district and finally took up the above homestead. I am having a fence completed upon it and expect also to errect a residence; I also intend to have some crop put in, but I am unable to put in six months consecutive residence at the present time as I have spent most of my time, outside of teaching the children of ranchers, in establishing a school in Calgary for teaching Book-keeping, Shorthand and Typewriting. Since my application the necessities of my school have prevented me fulfilling lengthy residence. I might say however that your land office here have lately engaged one young man as stenographer whom I have trained.

Under the circumstances I beg to ask twelve months leave of absence though the improvements will go on and a short period or periods of residence also.

While writing you I would ask if the planting of trees will count as an improvement as I wish to experiment in this line.

Yours respectfully,
William Best

ADDRESS REPLY TO THE SECRETARY
DEPARTMENT OF THE INTERIOR.

640123

23rd April, 1902.

Copy to the A.D.L., Edmonton.

Sir,

I beg to acknowledge the receipt of your letter of the 19th instant, and to say that your request for an extension of time to go upon your homestead, the W.½ 1/4 of 12 - 47 - 21, West 4, cannot be granted. I am to explain that there is a very large demand for homestead lands for immediate settlement, and the Department finds it necessary to insist upon the prompt performance of the required duties, failing which, all entries are become liable to cancellation.

I am also to say that your brother, Mr. Axel Johnson, has also applied at the time of his entry, if she retains the land, but it is difficult to understand how she can be allowed to continue upon that privilege is confined, in the case of women, to widows having minor children dependent upon them, whereas, in your letter you have stated that she is advanced in age and unable to attend to the land alone, or to pay a hired man.

Your obedient Servant,

John O. Johnson, Esq.,

Letter to P. J. Bourchier, Esq., Innisfail, Alta.

Sir,

In reply to your letter of the 11th instant, File 30016, I am to say that the paragraph in the communication from the Department, dated the 28th ultimo, to Mr. Bourchier, to which you refer, is not very clearly expressed and has evidently conveyed the wrong impression. According to the letter received from Mr. Bourchier, Mr. Fred. L. Farrar, claims to acquire the S.W.1/4 of 15 - 33 - 27, W4t 4, but he at present holds an entry for some other land, and it was stated that Mr. Farrar had filed an abandonment of this entry, which does not appear yet to have reached the Department. If the quarter-section above mentioned, the S.W.1/4 of 15, is still vacant, you will please hold it for, say, 30 days, to enable Mr. Farrar to communicate further with the Department.

ELIGIBILITY FOR SOLDIER GRANT ENTRY :

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada — and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of his Majesty or of any of His Majesty's Allies — and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: —

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 40, "An Act to amend The Dominion Lands Act," it is provided as follows: —

To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry otherwise under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is absent from person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

MEMORANDUM.

With reference to my memorandum of the 8th August last, relating to the conflicting applications of Mr. Isaac Lougheed and Mr. Andrew Oleson for the N.½ of section 26, Township 31, Range 29, West of the Fourth Meridian, I beg to say that the A ent of Dominion Lands, who was instructed, in accordance with your decision, to detail a Homestead Inspector to furnish the Department with a report as to whether a fair division could be made by selling to the applicants a half portion each of the land applied for, now submits in his letter of the 14th ultimo Mr. Homestead Inspector Stauffer's report, in which the latter points out that Mr. Lougheed is the owner of the S.W.¼ of Section 36, and Mr. Oleson of the N.½ of Section 25.

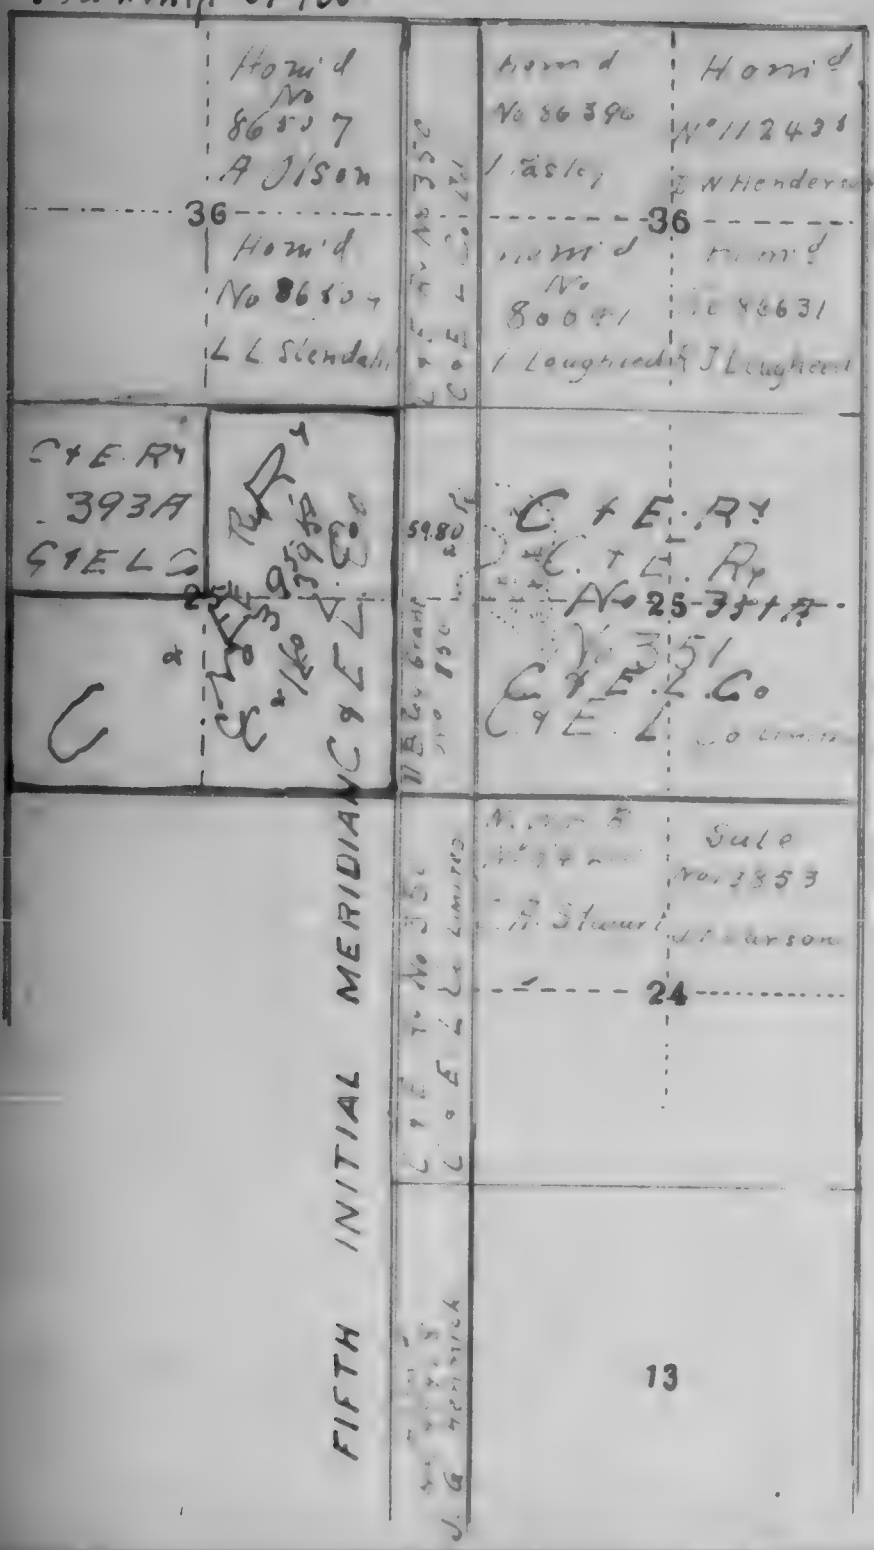

The Inspector states also that each applicant desires to secure the whole of the fractional half section, but that each will agree to take half of it if his application for the whole of the parcel could not be granted.

The Inspector, therefore, recommends that Mr. Lougheed be permitted to purchase the N.½ of the parcel, which corners on the land owned by him, viz., the S.W.¼ of Section 36, and that Mr. Oleson be allowed to purchase the S.½, which adjoins the land owned by him, viz., the N.½ of Section 25, the price in each case to be $3.00 per acre.

Please

J. W. Greenway, Esq.,
Commissioner of Dominion Lands.

Please see sketch annexed hereto showing the fractional half section applied for (coloured blue) as well as the lands owned by the applicants.

Memorandum:-

I beg to return Mr.C.Wiebert's letter to the Minister,dated Didsbury,Alta., the 11th ultimo,stating that Mr. A.Olsen would like to purchase section 26,township 31,range 20,west 4th. Meridian, containing about 60 acres,lying between ranges 4 and 5, which he states would be very handy to Mr.Olsen as part of his own farm,and if not contrary to the regulations he recommends his application to the favourable consideration of the Department.

The fractional N.E.¼ of section 26,containing 59.80 acres,is at the disposal of the Department.

Mr.Olsen applied for this piece of land in April,1907,but his application was refused as Dominion Lands were not open for sale. Mr.Olsen wishes to purchase this parcel of land so as to get out to the road as he owns the N.½ of section 25,adjoining, which latter land was patented to the Calgary & Edmonton Railway Company. As a matter of fact Mr.Olsen was also able to purchase this land in January,1908,by Mr.J. Stauffer who obtained a patent land in the vicinity,and also by Mr. Isaac Longhead in July,1907, who wanted it for pasture in connection with his homestead adjoining. However,in both of these applications were declined.

The land applied for was inspected by the Homestead Inspector in 1907,and he stated that about

10 acres suitable for cultivation, the remainder being gravelly ridge, slough and hay land. He also stated that Mr. Olsen owned the N.½ of section 25 and Mr. Lougheed the S.W.¼ of section 36, he would recommend that Mr. Olsen be permitted to purchase the S.½ and Mr. Lougheed the N.½ of the fraction N.E.¼ of section 26 at $3.00 per acre, as already stated, however, the applications were not entertained.

The Agent at Calgary forwards here the application of Mr. Evan Richards to be allowed to purchase the W.½ of Section 22, Township 39, Range 29 West of the 4th Meridian, and recommends the sale. Dear Sir

Re investigation of the N.E. qr. Sec 22 11 Range 1 W 5 M which in your letter of the 21st Sept you stated was reserved for a stock water right on the said qr. sec. I find the spring which is upon said land leaving the land without water on it. If you do not credit my statement I will instruct me (or the I R land agent) to write you Sec.

This qr. Sec is close to my father's ranch & would form an invaluable home as a home stead, to any other person it is useless being very hilly. Please consider my case as I am married to stay on my father's ranche

Irrigable Land

Blairmore Alberta,
February 2, 1912.

Dear Sir:

I take the liberty to write you and ask you whether you wish to purchase the above land, and definitely what you intend to do with my application for 10 acres of land. Should you not wish to purchase it, I would like to know what is the lowest cash price you will accept for it, as I am in need of money and would like to sell it to you if you will give me a fair price for it. I will wait your reply before I sell it to anyone else.

Yours truly,

Ref. 641243.

Department of the Interior,
Ottawa, 12th March, 1902.

Memorandum.

Mr. William Thibodeau, of Blairmore, applied on the 24th June last to purchase the N. W. ¼ of Legal Subdivision 5 of Sec. 36--7--4, W. 5th; and in such application he stated that he was a gardener and required the land in order to cultivate and farm it; also that he resides on the same.

The Agent, in submitting the application, stated that, owing to the close proximity of the land applied for to Blairmore, he did not think it would be advisable to sell such a small portion of land at that time; and, his recommendation having been approved, Mr. Thibodeau was advised that it was not considered desirable at the present time to dispose of the land.

Mr. Frank Oliver, M. P., now encloses a letter from Mr. Thibodeau renewing his application for the land in question and stating that it has no mineral value, and that, as the season is advancing he is desirous of making his improvements.

I see no objection to the parcel applied for being sold to Mr. Thibodeau at the current rate and on the usual terms.

I am the owner of the S. E. ¼ Sec. 22 Tp. 2 Rg. 28 West of 4th Mer. I wish to refer to my application for a patent for said homestead which I made to your department several years ago and you requested me to go before the local agent at Cardston which I did taking the required witnesses with me and made proof before him filling out and signing the required forms and statements &c. and the same were forwarded to you by him and I received a communication from you some time I think during the latter part of the winter of 1905-6 stating that I would be required to reside upon my homestead until June 1906 to fulfill the regulations of the homestead laws. I wish to state that I have continuously resided and worked and improved upon my homestead since that time until the present time and I have set up feed for all my stock both horses and cattle and fed and cared for and maintained the same on the place and have made it my permanent home and I intend to continue to do so. And I would be very much pleased to receive a patent for the same. Trusting to hear from you at your very earliest convenience. Yours very Respectfully

MEMORANDUM:-

Regarding my memoranda, marked "A" & "B", setting forth the representations of D. McLeod that J. Tocher obtained certificate of Recommendation for patent for the South West ¼ of Section 10, Township 30, Range 1, West of the 5th Meridian by misrepresentation.

The matter was placed in the hands of Mr. Martin, Assistant Inspector of Dominion Lands Agencies, and he instructed ~~the~~ Homestead Inspector Bryant to enquire into it. Bryant's report does not add greatly to our knowledge of the case; but the information he secured from witnesses may be summarized as follows:

E.Bingham- Refuses to make a declaration, could not swear as to facts.

C.E.Greenway- Refuses to make declaration, is satisfied homesteader did not live on the land more than 30 days in summer, probably lived with brother.

T. McArthur- Has known homesteader for four years. Considers residance sufficient, but cannot say how much.

E.McArthur- Same as above.

J.W. Greenway, Esq.,

Commissioner of Dominion Lands,

Ottawa.

James Norquay- Has known homesteader for five years. Believes that he lived on the land fully six months in each summer.

Walter Scott- Has known homesteader for five years. Says he lived on the land each summer since 1902.

In view of the foregoing may the proceedings be allowed to drop?

Regarding your inquiry I beg to report as follows:-

John Finnigan made homestead entry for the S. W. ¼ of 24--25--16 W. 4th M. and built his house presumably by mistake on the N. E. ¼ of 13 adjoining.

From his letter of the 27th of April, 1905, it might be inferred that he is in residence.

The land has been patented to the Canadian Pacific Railway Company, but if Finnigan is in actual residence that corporation might be asked to relinquish it in order that he might acquire it in lieu of his present homestead.

I would suggest that the Homestead Inspector be instructed to furnish a report in the matter.

Sir

I have the honour to inform you that I Charles Leonard Lambert of the City of Calgary, Land Agent, did on the 4th day of April A.D. 1906 at the Dominion Land Office, Calgary, enter for the South west quarter of Section 24, Township 25, Range 16 west of the 4th Meridian and did build a shack and live there for a time, but then abandoned it and went travelling to return to the office for the place, which in due form was cancelled and I was permitted to homestead, I have done my settlement duties and have given Government that I am the owner of the South East quarter of 13, 25, 16 West of the fourth, at the stakes there were gone and in some cases we were unable to find the mounds

What I wish to ask is can you arrange to have my quarter section transferred so that I can get my patent for the one where I am living

would you kindly do this for

Memorandum:-

You ask for a report in this matter.

Your Memorandum of the 13th June, 1905, shows that John Finnigan homesteaded the S-W.¼ of 24--25--16 W. 4th M. but built his house on the N-E.¼ of Section 13 adjoining, which land was patented to the Canadian Pacific Railway Company.

A report was asked for, with a view to requesting the Railway Company to relinquish the land in favour of Mr. Finnigan, and, although instructions were sent out on the 18th July, 1905, the Homestead Inspector has, apparently, failed to give the matter attention.

Mr. Finnigan is pressing for a decision.

Dear Sir, 14992/1

It is now six months since I heard from you re S.W.¼ 24-25- 16- and still there has not been a Homestead Inspector called to look at our improvements. I would like to have the above named quarter section changed for the North East ½ 13- 25- 16- where my improvements are.

I have lived on the homestead for over three years, and have a house stables & corrells have over eighty head of cattle My case was taken up by friends who are satisfied that I am entitled to the quarter section where my buildings are, and they expected that you could and would have the change made. I am an old man over sixty years and am in poor health. I should like to have the matter settled

Referring to Mr. Dixon's memorandum dated 15th November, 1906, on File 1299297, I would ask your attention to the report of the Homestead Inspector, sent here by the agent at Calgary with your letter dated 2nd instant, on File 73995. You will see by the report that Mr. John Finnigan has been living on the N-E.¼---13---25---16. W. 4 for about three and one-half years and has made extensive improvements.

I suppose it will now be necessary to communicate with the Canadian Pacific Railway Company and ascertain whether the Company will relinquish this quarter section, which has been patented in their favour, so that the Homestead entry obtained by Mr. Finnigan for the South East ¼ of Section 24, in the same Township, may be transferred to the North East ¼ of Section 13. Sir,-

I am directed by the Minister to ask whether your Company will be willing to re-convey to the Crown the North East ¼ of Section 13, Township 25, Range 16, West of the Fourth Meridian, for which a patent was issued on the 1st June, 1904, the circumstances being as follows:-

On the 3rd September, 1901, Mr. John Finnigan homesteaded the North East ¼ of Section 24, Township 25, Range 15, west of the Fourth Meridian, and some months ago advised the Department that he had discovered that his residence and improvements had been done on the North East ¼ of Section 13, in the above-mentioned Township, the mistake being due to the fact that no survey marks could be found and he believed he was on his homestead. It was thought well to have a report from the Homestead Inspector, and this has recently come to hand. The report shows that Mr. Finnigan has lived on the North East ¼ of Section 13, Township 25, Range 16, West of the Fourth Meridian, for about three and one-half years, where he has buildings and other improvements, valued at about $500.00, and is the owner of 118 head of cattle and 14 horses.

Under the circumstances, the Department is desirous of transferring the homestead entry of Mr. Finnigan from the

from the South West ¼ of Section 24, to the North East ¼ of Section 13, and your Company will be allowed to select some other available quarter section at the disposal of the Government in lieu of the North East ¼ of Section 13, which it is hoped, under the circumstances, may be relinquished to the Crown.

MEMORANDUM:-

Mr. Oliver.

re Section 24-26-15-W.4th.
North of Red Deer River.

The N.E. and the S.E. of this Section, North of the River, was granted as homestead on the 17th September, 1904, to [illegible]. H. Hyde, and on the 11th September, 1906, he was given permission to purchase the N.E. of the Section at $[illegible].00 per acre.

It would appear that Mr. Hyde was in the ranching business and that the formal partnership agreement with W. Grant, which Ranching Company was known as "The Trefoil Ranch Company".

At a later date it would appear that Mr. Grant bought out the interest of Mr. Hyde.

Mr. Grant is now deceased, and his son, W. L. Grant, of Toronto, wishes to register an assignment of the above lands from Hyde to the estate of his father, and asks that patent issue in the name of the estate.

Re

He was advised on the 11th instant that such an assignment could not be accepted, as it was contrary to the provisions of the Dominion Lands Act to register such an agreement.

Mr. Hyde has never made application for patent for his homestead, nor has he made any payment on account of the N.E.¼ of the Section.

Mr. Bennett again writes, as in for a reconsideration of his request.

I do not think that any further information can be given him than that contained in your letter of the 11th instant.

Dear Mr. Dyment,

In reply to your letter of the 8th instant, addressed to the Honourable Mr. Oliver, I beg to say that, in order to assist you in closing up the affairs of your father's estate, it has been decided that if Mr. Hyde lived on the N.W.¼ and S.½, North of the River, of Section 24, Township 25, Range 16, west 4th Meridian, long enough to earn recommendation for patent previous to the 1st September last, the assignment of the land to the estate of your father may be registered.

It has also been decided that if this condition is complied with, an assignment of Mr. Hyde's right to purchase the N.W.¼ of the Section may be registered and the land sold to the estate. Mr. Hyde should at once make his application for patent, and when it is received further action can be taken in the matter.

I hope this will be satisfactory to you.

Memorandum;

Those portions of the S.½ and S.W.¼ of 24--25--16, W. 4th M., lying north of Red Deer River.
Containing 174 acres.
Sale - 16th November, 1911 - Late Nathaniel Dyment.
Paid in full.

Letters Probate of the will of the deceased were issued from the Surrogate Court in the County of Imcoe, Ontario, and Messrs. Hancock & Bone, Barristers of Calgary, were advised that Letters patent could not be issued until the said letters probate had been re-sealed in the proper Court for the district in the Province of Alberta within which the said quarter section is situate.

In this connection I would call your attention to the letter hereunder from Messrs. Hancock & Bone, which reads in part as follows;

"We are writing you to ascertain under all the circumstances if your Department could not see fit to take an assignment and quit claim from the Executors of the late Mr. Dyment's estate without insisting upon the Probate being re-sealed in Alberta. This title could then be issued direct to the purchasers of the Browne ranch. Our Government is lending assistance for men to leave this district and we thought under the circumstances we could agree to either get an Order in Council to put this matter through or get special permission from the acting Minister of the Interior, the Honourable Mr. Charles Stewart, to permit this to go through in this way. If you can do are satisfied that it will be of considerable assistance to the Browne estate and incidentally enable us to close this matter out.

If there is no further money due to the Department could you not issue a patent to the Nathaniel Dyment estate. We would then endeavour to get a special order of the Court here authorizing the present executors to give a transfer of the land notwithstanding the fact that the Probate.....

Probate has not been taken out in this Province. We are just suggesting this as a way of adjusting the matter if the former suggestion is not carried out, but we think if you could agree on the former suggestion it would expedite matters."

I would recommend that, under the circumstances, the issue of letters patent be now proceeded with in the name of the deceased entrant.

Respectfully submitted,

Memorandum:

E. ½, W. of River of 25--8--2?--W.4th M.
Stock watering sale, 13th July, 1910.
Fred Seidig.
Application for patent made.

Under the terms of the agreement of sale of stock watering reserve at the date the above sale was made, residence should be on the land itself, except in cases where the purchaser holds a homestead, pre-emption or purchased homestead, either patented or unpatented, and adjoining the land he purchased, or separated therefrom only by a road allowance.

Mr. Seidig applies for patent for the above land on the 1st April, 1914, and pleaded continuous residence with his father on the N. E. ¼ of 24--8--22--W. 4th Meridian.

Nothing has been done on the land in the way of cultivation, but he has had from 35 to 55 head of stock each year, presumably on the land in the summer, as there are no buildings of any kind erected on the land purchased, but sufficient accommodation is on the father's land where residence has been performed.

The Homestead Inspector has reported the land not fit for cultivation, and Mr. Seidig can take advantage of the provisions in the present Act and count stock in lieu of cultivation.

The points to be decided are:-

1. Can Mr. Seidig be allowed credit for the residence performed with the father?

2. Will he be required to erect buildings on his own land sufficient for the accommodation of the stock?

A Homestead Inspector's report will, of course, be required as to whether the stock qualifications have been fully complied with.

Respectfully submitted,

J. W. Greenway, Esq.,
Commissioner of Dominion Lands,

Sir:-

I have the honour to enclose herewith an application by Mr. Charles Spalding, of High River, dated the 27th ultimo, to purchase the portion lying south of the river of the S. E. 1/4 of 32 - 18 - 29, West of the 4th; together with a copy of a communication from Mr. Spalding regarding this land, dated the 12th ultimo (See memo by Mr. Pearce on foot of latter). Mr. Spalding states that he is a farmer and requires this land in order to provide winter shelter for his cattle, and that he resides upon and owns as a purchase the N. W. 1/4 of 29 - 18 - 29, West of the 4th. I know of no objection to the land being sold to the applicant excepting that the river does not appear to have been traversed at this point.

Ref. C4180?.

Ottawa, 14th August, 19[illegible].

Memorandum:

The Agent at Invermay forwards here a application of Mr. Charles Holden, of Wish River, to purchase that portion of the S.E.¼ of 32-18-29 W. 4th lying south of the river, in order to provide water for his cattle, the Agent recommending the sale. Mr. Holden owns as a purchase the N.W.¼ of 29, and the S.E.¼ of 29 as a homestead, and consequently has land applied for in immediately surrounding his home yard. There is also a copy of a letter from Mr. Holden to Mr. Pearce, dated the 12th June, in which the writer also applies to buy the S.W.¼ of 32, but at the present time never came to him. Please note Mr. Pearce's report on this application in the matter of the existing letter, herewith.

On the 20th of the applicant from Mr. Holden to purchase the S.E.¼ of 32, and of the 6th October, last, Mr. Pearce reported and recommended that in order to allow the pavement to avoid the necessity to acquire at a reasonable rate the water [illegible] which might be needed for irrigation purposes. On the 22nd October, last, Mr. Winn was told that he could buy this lot, subject to the [illegible] condition, a copy of the letter being sent to Mr. Pearce and to the Agent, but as to the present [illegible] action

I. J. Garvin, Esq.,

Commissioner of Dominion Lands,

Ottawa.

appears to have been taken by Mr. Quinn. I think, therefore, there is no need to consider his application any longer, though in writing to the Agent the old application might be referred to.

The land is clear here, and there is no objection to selling the land to Mr. Spalding at the upset rate and upon the usual terms, the first instalment to be made by the 1st October.

Mr. Pearce, in his report on the Quinn application stated that it was of no value except for water and timber; that there was no soil upon the quarter section, it merely consisting of a gravel bed, with considerable quantity of brush. In view of this statement do you think the price should be reduced, or as the land will be very handy to Mr. Spalding on account of its proximity to land already owned by him, he might be charged the usual rate of $5 per acre.

The river has not been traversed, and if the applicant did not desire to wait until surveyed, he could have the work done at his own expence by a D.L.S. and the cost credited to him. The surveyor would, however, have to be instructed by the Surveyor General, and the money to be credited to the purchaser for the cost of the survey would be at the rate for contracts, i.e. $ per mile. Before advising the Agent, it might be well to ask the D.S. whether the river at this point will be surveyed this season.

Memorandum:-

The Agent at Calgary has forwarded here the application of Mr. William Henry Greenwood, of Carstairs, to purchase the S.W.¼ of 20 - 23 - 1 West 5th, requiring the land for his cattle, and that he is at present residing thereon.

The land is clear here, and as the application is dated in June last, I see no objection to selling the quarter section at the current rate of $1 per the usual terms.

The Agent notes that Mr. Greenwood does not expect to be able to make payment on account before the 1st December next, but is writing him about 30 days. If you approve the sale, I think the Agent might be instructed to advise Mr. Greenwood that interest will become due on the money from the date he is notified, but that the department will allow him to pay the first instalment on these conditions, less a deposit of $25 which must be paid within thirty days, otherwise the land must be left open for sale.

I have the honour to enclose herewith an application by Mr. William Henry Greenwood, of Carstairs, dated the 27th ultimo, to purchase the N. W. 1/4 of 20 - 29 - 1, West of the 5th., in which the applicant states that he is a farmer and requires the land in order to farm same and graze his own cattle thereon; and that he is residing at present on said quarter having sold his homestead, the S. E. 1/4 of 34 - 33 - 2, West of the 5th. I know of no objection to the land being sold to the applicant. Mr. Greenwood stated that if he be given permission to purchase, he does not expect to be in a position to make a payment on the land until about the 1st of December.

Replying to your letter of the 22nd ultimo No. 64188, I beg leave to say that, on reference to the Land Register and Cash Book of this office, I find that interest is noted as having been computed to the 1st ultimo, and $ 28 .45, therefor collected from Mr. Greenwood, which amount exactly co-incides with that stated in your letter to me of the 3rd of April last to be due on that date It is possible a clerical error may have crept into my return and the 24th of April noted up to the date when interest was computed instead of the 1st ult. I shall be glad to be further advised on the subject.

Sir:-

I have the honour to enclose herewith a communication received from Mr. H. Westropp, of Pekisko, together with formal application to purchase the N. 1/2 of 32 - 13 - 1, West of the 5th. This being in an unsurveyed township, the applicant is being informed that the Department will not be able to deal with the matter, but his application is being forwarded for the consideration of the Department. He is also being informed that, in all probability, should the Department decide to sell to him, if he did not wish to wait until the survey had been made, he could have the work done at his own expense by a Dominion Land Surveyor, who would, however, have to receive instructions from the Surveyor General, the cost of the survey to be credited to him at the rate for contracts, namely, $11 per mile.

Dear Sir,

It appears that some time ago before I had decided that we would accept certain lands in Township 57, Range 20, West 4th, one Iwan Broda was erroneously informed at the Land Office at Edmonton that the N.E.¼ of Section 3 in that township was open for homestead. He accordingly squatted thereon and made considerable improvements, and the Department have now intimated to him that if the Company will consent to an exchange he may be allowed to complete his entry therefor. I have verified the statements as to Broda's occupation and improvements, and under the circumstances recommend that the quarter-section be surrendered to the Government. Will you be good enough to so inform the Department, and at the same time name the N.W.¼ 2-14-14 W.2nd in lieu thereof and ask that Patent for the same issue to the Canadian Pacific Railway Company without delay.
